Chicago, Illinois
January 10, 1963

The American Nazi Party (ANP) continues to maintain a Chicago Branch with headquarters at 2124 North Damen Avenue, Chicago, Illinois. The Chicago unit occupies the entire building at that address, which is composed of two floors.

On the street level of the building is a small retail shop, which has been used until recently for the Vinland Book Store. At the rear of the book shop is a meeting hall and to the rear of that is an attached garage. On the second floor is a living room, office, kitchen and bath. Adjoining these second floor rooms are small bedrooms in which MATT KOEHL, [redacted] permanently reside.

At the present time, it is planned that the Chicago organization will fix up the basement of the building for future use as a recreation room.

As of January 10, 1963, the following are officers of the Chicago Branch, ANP:

MATT KOEHL - Captain
Officer in Charge

[redacted] - Lieutenant
Second in Charge

Group Leaders

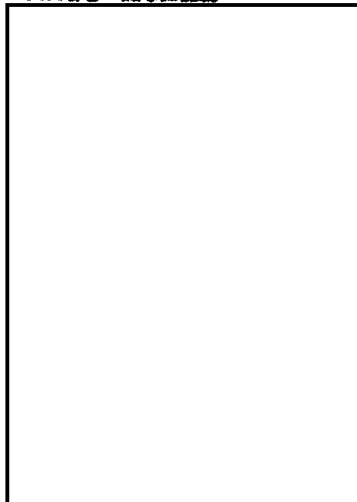

[redacted]

[redacted] - Adjutant

There are presently four groups within the membership of the Chicago organization. These are: first, the Storm Troopers, which is composed of members who are willing to participate in all public demonstrations and activities and take part in all other assignments given them. Secondly, there is the Associate Storm Troopers, which is composed of those individuals who are willing to participate in "certain of the public activities" but not all. The third group are known as Associate Members and these are the individuals who remain in the background as far as public participation is concerned. They, however, will handle non-public assignments within the organization. The fourth and last group are known as Supporting Non-Members and are as their name implies those individuals who do not participate actively in the activities of the organization but rather "do their part" by means of financial contributions.

Regarding membership of the Chicago organization, the following individuals are considered as members, however, it is not known if they are officially carried on Party rolls as such nor is it known if they do in fact possess membership cards:

MATT KOEHL

It is understood that the ANP Headquarters at Arlington, Virginia, has purchased a new printing press and that if it is at all possible the old press formerly used by them will be turned over to the Chicago organization as a gift.

From all appearances the Chicago unit of the ANP is "all but broke". MATT KOEHL handles all funds and is the only one who apparently has real knowledge of the money on hand in Chicago but every evidence around the headquarters indicates that money is definitely short at the Chicago unit.

The Chicago organization no longer operates a front group as such. The Fighting American Nationalists (FAN), which previously existed as a front organization in the Chicago unit, has remained out of existence and nothing has been done or said to indicate it will be reactivated.

Several of the younger future members have reactivated the White Youth Corps, which allegedly is not to be connected with the ANP, however, it will hold its meetings in the ANP building, will receive advice from the leadership of the ANP, and from all appearances will be subject to ANP for final authority.

currently make up the membership with one other unknown individual. All are high school students in the Chicago area. No definite plans for the White Youth Corps have been announced as of this time.

b6
b7C

It has been learned that the reason for MATT KOEHL accompanying GEORGE LINCOLN ROCKWELL, the Party's National Commander, on a trip to Atlanta and Birmingham following ROCKWELL's last Chicago visit was principally to contact EMORY BURKE of the National States Rights Party and attempt to swing BURKE over with the ANP. Apparently secret conferences were held hoping to bring BURKE and as many of the NSRP members as possible into the ANP camp. BURKE, it is said, was sympathetic to the principles of the Nazi Party, however, just could not bring himself to undertake the banner of the swastika nor the idea of representing himself as a Nazi. In addition, during the course of this trip, ROCKWELL and KOEHL journeyed to Birmingham in an attempt to secure

the release of [] from jail there. [] has apparently been incarcerated since his attack on Reverend MARTIN LUTHER KING. KOEHL apparently visited in Arlington, Virginia, before journeying to Birmingham and Atlanta with ROCKWELL. He departed ROCKWELL in Birmingham and returned to Chicago.

DETAILS:

"THE THUNDERBOLT" - Publication of the NSRP

"The Thunderbolt" is self-described as the "Official White Racial Organ of the NSRP."

A characterization of the NSRP is set forth in the appendix to this report.

BH 105-477

Issue No. 45 of "The Thunderbolt" for September, 1962, on Page 1, carried a headline captioned "WILL CUBAN INVASION COME BEFORE NOVEMBER ELECTION?" The article appearing under this headline carried a sub-caption "Timing May be Calculated to Knock Republicans Out of House Elections." This article stated that "The Thunderbolt" was the first newspaper in America to exclusively announce the strong indications of the forthcoming invasion of Cuba. It was stated that it had been leaked from unimpeachable sources in the halls of Congress that the date had been set for an all out knock out blow against the Cuban dictator, FIDEL CASTRO.

The above article continued, in part, as follows:

"The Achilles heel of the KENNEDY administration is this armed communist base only 90 miles from our shores. The public knows that KENNEDY sabotaged the last invasion by withholding air cover at the last moment. Also, it is a recognized fact that this communist base right off our coast is one of the primary reasons for the growth of the right wing movement in America. Communist Cuba has brought this menace right to our doorsteps and our startled people are rapidly awakening.

"Unless something is done within the immediate future, KENNEDY is going to lose control in this Falls election. This is the biggest campaign issue to date.

"THE THUNDERBOLT HAS THE NEWS FROM UNIMPEACHABLE SOURCES RIGHT IN THE HALLS OF CONGRESS THAT KENNEDY HAS JUST ABOUT DECIDED TO INVADE CUBA AND CUT THE GROUND OUT FROM UNDER THE REPUBLICAN CHARGES AGAINST HIS ADMINISTRATION AND STOP THE GROWTH OF THE RIGHT WING."

BH 105-477

Page 2 of Issue No. 45 of "The Thunderbolt" carried an article "WE FORCE KENNEDY DIVORCE INTO THE OPEN." This article stated that "The Thunderbolt" was the first newspaper in America to publicly break the KENNEDY divorce story out into the open. It was stated that the wire services requested and were given all the information "we" had on this matter. The article stated, "We waited -- but nothing happened!" The article continued by stating that the readers of "The Thunderbolt" "took the ball from there" and ordered tens of thousands of extra copies to flood the nation with. It was stated that circulation of that edition broke all records and jumped over the 100,000 figure. The article went into great detail as to how "The Thunderbolt" had exposed this situation and stated that "Remember that to this date, neither KENNEDY nor DURIE MALCOLM have ever issued any denial of this story." The article continued by setting out several questions under a caption "Questions for Kennedy."

On Pages 8 and 9 of Issue No. 45 of "The Thunderbolt" is set out what is described as Chapter 9 of "The International Jew" by "HENRY FORD, Founder - Ford Motor Company."

Issue No. 45 of "The Thunderbolt" on Page 12 set out an editorial captioned "SEGREGATE OR INTEGRATE, WHICH WAY FOR CHRISTIANS." It was reflected that this editorial had been written by Rev. OREN F. POTITO. This article, in part, reads as follows:

"The doctrine of no distinction as to race, creed or color, is principally the same as the Communist Creed of destruction of all class distinction and is based upon the assumption that the only difference between the races is that of skin color. Let us lay aside any prejudice we may have in this matter and see whether or not the Integrationists are right in their view that skin color is the only difference between the races.

BH 105-477

"Segregation is not a Southern prejudice, it is an Anglo-Saxon principal. The Bible states, 'everything after its own kind' and segregation is in keeping with this command.

"The Genocide of either race is prevented by segregation.

"Opportunity for the Negro, without competition from the White race, is guaranteed by segregation. Segregation must be preserved and it will be if both races will recognize the integration program for what it really is, - the spearhead of foreign ideologists, international Jews, who seek to devide and conquer the might of America.

"Integration is a Communist, Jewish conspiracy. If we continue to appease Communism by changing our Christian heritage and our way of life, in order to get along better with Russia, as urged by the international Jews, and One Worldists, then we will become just another sattelite under the control and domination of International Jewish Dictators. SEGREGATION OR MONGRELIZATION?...THE CHOICE IS YOURS. Completely destroy segregation and mongrelization will follow as night follows day.

"Most important of all is the fact that GOD IS A SEGREGATIONIST!"

Issue No. 46 of "The Thunderbolt" for October, 1962, carried the headline "KENNEDY USES CUBA TO TAKE PUBLIC ATTENTION OFF MISSISSIPPI INVASION." An article appearing on Page 1 of this issue under the above-stated headline reflects that in "last month's issue" of "The Thunderbolt" the present KENNEDY stand on Cuba

BH 105-477

had been predicted. The article stated that the press and TV were then "lambasting us" with : "This now rules the Cuba issue out of the election campaign." The article continued by stating that this was the exact reason for the KENNEDY stand on Cuba. This article, in part, is quoted as follows:

"Why didn't he take this stand during the invasion of the 'Bay of Pigs' when Cuban Patriots were slaughtered like cattle after he deliberately called off our previously promised air support? Why didn't he do this a year ago, why not two months ago - or why not wait until the day after the November election. No, everything done by the KENNEDY brothers is done for one reason and one reason only -- to build their political machine and stroy Republican and States Rights opposition! Their every move is made to confuse and coerce the American people. This phoney move against Cuba just before this election smells to high Heaven."

Page 1 of Issue No. 46 of "The Thunderbolt" also set out an article captioned "GOD BLESS MISSISSIPPI STUDENTS -- COURAGE & VALOR." This article stated that perhaps few events in the struggle to save the South from "mongrelization" had been more encouraging to "us who have been fighting to hold the line against race-mixing than the stand made by the Oxford, Miss. students." The article stated that determination had been shown to the entire world as to how far the "Whiteman" would go to "stay white" by "this brave student stand."

The article continued by stating that evidence proved that it was the "Federal Marshalls" who made the initial attack on the "peacefully protesting students." This article, in part, reads as follows:

BH 105-477

"BOTH OF THE MEN WHO GAVE UP THEIR LIVES WERE ON THE WHITE SIDE AND MOST AGREE THEY WERE MURDERED BY THE BLOOD-THIRSTY FEDERAL MARSHALS. The courageous French reporter visited the Citizen Council Headquarters and expressed his belief in the stand being made against this illegal invasion of the South. The other White youth was a resident of Oxford and died on the firing line beside his fellow Whitemen. These two men are now martyrs to the Whiteman's struggle against KENNEDY dictatorship of imposing race-mixing down the throats of our people. The Confederate Flag has become the symbol of FREEDOM to Patriotic Americans in every section of this land."

Page 4 of Issue 46 of "The Thunderbolt" contains an article captioned "KENNEDY'S SISTER REVEALS MENTAL ILLNESS IN FAMILY." Under this caption appears a photograph of ROBERT KENNEDY, TED KENNEDY, and President KENNEDY. Above this photograph appears "The Three Stooges!!" Immediately below this photograph appears the wording "BOBBY - TEDDY & JACKY, Lunatics on the Loose?"

Under the above-mentioned caption appears an article on Page 4 immediately to the right of the above-described picture. This article commenced by stating that there was an old saying that if one has numerous secrets to hide and they will sooner or later be revealed, it is better to shed light on all of them at the very same time to avoid separate and equal reverberation from the public each time a new scandal is revealed. This article, in part, set out the following:

"On Sept. 18, the KENNEDYs let the nations press publish PIERRE SALINGER's version of the now famous KENNEDY divorce story, which turned out to be mainly an attack upon "The

BH 104-477

Thunderbolt." On that very same day, he gave both A.P. and U.P.I. a casual, run of the mill appearing story telling for the first time the story of his mentally retarded sister, ROSEMARY KENNEDY, who has been in an insane asylum for 21 years. The story was issued by Mrs. EUNICE SHRIVER, KENNEDY's older sister (whose husband heads the Peace Corps). ROSEMARY KENNEDY was placed in an institution in 1942."

The above article also is quoted, in part, as follows:

"MORE EVIDENCE OF KENNEDY MENTAL ILLNESS

" KENNEDY often sulks for hours and refuses to see even his closest aides. Some times he will see a newspaper, disagree with something it says and have the periodical banned from the White House. When certain problems crop up, he gives orders that he does not want to hear of them and tells aides to do with the situation as they deem fit. His flight to 'get away from it all' often leaves the nation without a President.

"The ironic part of all this is that the KENNEDYS gave direct orders for Gen. WALKER to be shipped away in the middle of the night on the charge that he is crazy, when the truth of the matter is that mental illness is already admittedly a part of the KENNEDY family, and recent behavior points toward a complete breakdown by President KENNEDY. The worlds Communist forces take more aggressive actions against the free world in view of our weak, afraid to fight, mentally retarded President!"

Page 4 of Issue No. 46 of "The Thunderbolt" contains an article captioned "MENTAL ILLNESS IN JEWRY." The first paragraph of this article reads as follows:

BH 105-477

"A very large percentage of the Jewish population of the world is insane, if we accept the term 'insanity' to mean the inability to discern reality from imagination. Virtually all Jews, wherever they are stationed in the world--no matter how remote the outpost--think just like all other Jews, and that thought is characterized by its unreality, or in plainer terms, insanity."

The last paragraph of this article reads as follows:

"Another instance of Jewish insanity is the denial by him of the instinct of preservation. History clearly shows--even Jew-written and distorted histories--that the only friend in the world the Jew ever had was the Christian, who, motivated by the virtues of Christianity, is and was always wont to view the Jew with sympathy. And what does the Jew do" He expends tremendous energies to destroy the Christianity faith. Destruction of the restraining forces of this most elevated religion will leave the Jew facing un-or de-Christianized savages, who will not be restrained in their treatment of the Jew. The Jew works to fell the barrier that protects his criminality in order that he may be punished for his crimes. This is a denial of sanity."

Page 5 of Issue No. 46 of "The Thunderbolt" sets out an article captioned "'Freedom' For Blacks Means Freedom to Murder, Rob and Rape Whites!" This article stated that several months ago it had been reported in a nationwide magazine that guns were being smuggled into the United States from Cuba to supply U. S. Negroes with weapons to be used in killing "whites." The article stated that this had been confirmed and also contained a statement which is quoted as follows:

BH 105-477

"Considering the fact that American Negroes live better than 85% of the worlds population, Whites included, it would seem that by 'Freedom' and 'Equality' they mean the Freedom to rob, kill and rape Whites as they please,"

Page 5 of Issue No. 46 of "The Thunderbolt" sets out a photograph of Mr. FELIX FRANKFURTER alongside a photograph of Mr. ARTHUR GOLDBERG. Above these photographs appears "NO CHANGE HERE," and below these photographs appears "SUPREME COURT JUSTICE AND SUCCESSOR." Immediately below this appears "L-R: FELIX FRANKFURTER, ARTHUR GOLDBERG."

Page 5 of Issue No. 46 of "The Thunderbolt" set out the following statement:

"RACING MIXING MOVIES FLOOD NORTH.
SOUTH IS NEXT - JEWS PROPAGANDIZE FOR ALL OUT
INTER-MARRIAGE,"

Pages 6 and 7 of Issue No. 46 of "The Thunderbolt" carry a main heading "NEGRO BLOOD MEANS MONGRELIZATION AND DISEASE AND DEATH." These pages carry a sub-caption "Three Steps to Mongrelization," and a sub-caption "A Blueprint for the Destruction of Our Christian-American Civilization."

This article lists the three steps mentioned above as follows:

"Mix the Schools;"
"Teach Them 'Tolerance;'"
"Integrate the Churches."

Pages 8 and 9 of Issue No. 46 of "The Thunderbolt" set out what is designated Chapter 10 of "The International Jew" by "HENRY FORD, Founder Ford Motor Co."

BH 105-477

Page 1 of Issue No. 47 of "The Thunderbolt" for November, 1962, carried headline "KENNEDY REPORTED READY TO APPOINT RED YARMOLINSKY NEW FBI CHIEF." Under this headline appears a photograph of a male individual and under this photograph is set out the name "ADAM YARMOLINSKY." An article is set out on Page 1 of this issue under the above-quoted headline and immediately to the right of the above-described photograph, which reads, in part, as follows:

"YARMOLINSKY has a red record starting back in Harvard. Pictured on this page is the editorial staff of the "YARDLING," the Harvard Marxist Publication. Harvard graduates have told us this was regarded as a Communist publication, Note ten of the fourteen are Jews."

Page 2 of Issue No. 47 of "The Thunderbolt" sets out a poem entitled "KENNEDY, JUDAS AND BRUTUS." It is reflected that this poem was written by COURTLAND M. ASHER, 811 W. North Street, St. Marys, Ohio.

Page 2 of Issue No. 47 of "The Thunderbolt" also carried a letter dated August 29, 1962, addressed to "Honorable ALFRED S. DASHIELL, Managing Editor, 'The Readers Digest,' Pleasantville, New York." This letter indicated it had been written by LOUIS J. HAAS, 3432 Eads Avenue, St. Louis 4, Missouri. Above this letter is a caption "Slashing Reply to 'Readers Digest.'" This letter, in part, stated that few Americans are awake enough to see and understand the disastrous menace of the "Black-Plague" that is insidiously infiltrating itself into the lifestream of the "White race." The last paragraph of this letter reads as follows:

"There are White organizations who go all out in patronizing the Negro, even to the extent of imposing them on people in fashionable neighborhoods. They strive to break down housing

BH 105-477

restrictions wherever possible. Thus, they destroy Whiteman's freedom and way of life, eventually forcing Racial Suicide."

Page 3 of Issue No. 47 carried a headline "EVERY SOVIET PREMIER HAS BEEN MARRIED TO A JEWESS." Page 3 of this issue also carried a sub-caption "More Proof: Communism is Jewish."

Page 4 of Issue No. 47 of "The Thunderbolt" carries a caption "BOBBY KENNEDY USING FBI TO FRAME." Under this headline appears an article captioned "Paid Pimps Used in Both Little Rock and Miami." The first paragraph of this article reads as follows:

"The FBI had employed a bounty-hunting, Little Rock preacher as an undercover agent. The assignment of the secret undercover agent was to talk White Segregationists all over Arkansas into bombing negro and integrated schools, school board offices, station wagons of school officials, etc. Then, the FBI frame-ups was to discredit all Segregationists and wreck all White Segregationist organizations so that little White children would be forced to go to school with burr-headed darkies."

Pages 6 and 7 of Issue No. 47 of "The Thunderbolt" carry what is entitled "The International Jew" by HENRY FORD - Founder of Ford Motor Co."

Page 12 of Issue No. 47 of "The Thunderbolt" carries an editorial which reflects that it was written by IRVING THACKER. This article states that "We of the NSRP disagree to no end to the way the American Farmer has been placed in a straight jacket and controlled by the Federal Government." The article continues by stating that the NSRP is the American farmer's friend. It states that the NSRP of

BH 105-477

Ohio warns the American farmer that as time goes on and he is content to support the Democrat and Republican Parties farm policies of today he is not only setting the trap of collective farming, he is being caught by his own thoughtless actions. This article ended by stating that "we" invite the American farmer to "join NSRP, Work and Support the New, Largest and Fastest Growing 3rd Political Party in America."

It is to be noted that a December, 1962, issue of "The Thunderbolt" was not published by captioned organization.

Page 1 of Issue No. 48 of "The Thunderbolt" for January, 1963, carried the headline "KENNEDY BEHIND U. N. KATANGA RAPE." Page 1 sets out an article concerning the headline, and this article, which is continued on Page 12, reads, in part, as follows:

"On June 30, 1960, Belgium recognized the Congo as an independent nation. On July 7th one week after independence African soldiers mutinied against their White officers and began a mass massacre of the White population.

"At this time Communist agitator, and Prime Minister of the Comgo, PATRICE LUMUMBA, gave his black murdering soldiers orders to rape, murder and pillage as they pleased and for doing so rewarded them with higher rank in the army plus a raise in pay.

"In seeing the complete disregard the blacks were having for the White population, the Belgian government sent paratroopers to put down the rebellion, and then LUMUMBA called upon the UN for military help in getting the 'Belgian Imperialists' out of the Congo.

"Then on July 11, 1960, President MOISE TSHOMBE moved to put down the rebellion

BH 105-477

in Katanga, and proclaimed KATANGA an independent country, saying: 'I am seceding from chaos.'

"The United States immediately led the UN in a resolution condemning Belgium and demanding the withdrawal of her troops. On July 14, 1960, the Secretary General was authorized to send UN invasion troops to the Congo."

.

"The vast majority of Americans do not go along with KENNEDY on his stand on Katanga, and we urge that this treason be denounced, for the pro-Communist agitator he is. The United Nations should get out of the United States, as it is only a voice of the Communist, anti-White peoples of the world and is not a peace organ but rather a propaganda organ for the Jews. We suggest that the U.N. building be pushed into the Hudson river by giant bulldozers so no monument will be left standing to that murderous organization. God bless the four Southern States which refused to proclaim a U.N. day this year and the many cities which also refused to recognize this day. Let us all work and pray for the total end of the U.N."

Pages 2 and 3 of Issue No. 48 of "The Thunderbolt" carry what is described as Chapter 12 of "The International Jew" by "HENRY FORD, FOUNDER - FIRST PRESIDENT OF THE FORD MOTOR CO."

Pages 4 and 5 of Issue No. 48 of "The Thunderbolt" set out an article captioned "COMPLETE HISTORY OF U. N. TREASON - MONGRELIZATION - ONE WORLD GOVERNMENT." This article reflects that it had been written by attorney J. B. STONER, P. O. Box 48, Atlanta,

BH 105-477

Georgia. This article condemns the U. N. organization and its charter and sets out three sub-headings within the article as follows:

"U. N. Charter versus the Constitution"

"U. N. Is Communist"

"Nationalism is Patriotism"

On Page 1 of Issue No. 48 of "The Thunderbolt" appears the statement "KOSHER SLAUGHTER CRUELTY EXPOSED" and "See Page Six and Seven." On Pages 6 and 7 appears an article captioned "KOSHER SLAUGHTER CONDEMNED - CRUEL, INHUMAN TORTURE OF ANIMALS."

The article appearing on Pages 6 and 7 states, "The Kosher slaughter is cruel torturing of animals," and in great detail describes and condemns the killing of animals "in religious Kosher slaughter." Pages 6 and 7 of this issue reflect several pictures inserted as a part of and in conjunction with the above article. A few of the statements set out near various photographs are:

"Smiling Jew reveals satisfaction from brutal torture that follows."

"Murder begins. Animal is not stunned and has full consciousness, Rabbi sticks knife in throat, other Jew brutally seizes the animal's nostrils."

"Meat of healthy beast gets Kosher stamp. Bad meat is sold to the Gentile."

On Pages 9 and 10 of Issue No. 48 of "The Thunderbolt" is set out an article captioned "THE TRAGEDY OF AMERICA." This article reflects that it was written by Major ROBERT H. WILLIAMS, Counter Intelligence Officer. Immediately above the caption

BH 105-477

of this article is the statement, "Dr. FIELDS says, 'This is the Most Important Article We have Ever Published.'"

This article, in part, read as follows:

"The world is witnessing the greatest historic spectacle of recorded time. Almost in a single lifetime we see the rise of a nation of really free individuals, and then the swift sudden trend to destroy that free society, including the race of men who created it.

"I don't know by what standard you judge a society. The Progressive educators seem to consider civilization as an age of inventions and mechanical conveniences, in which everybody is dependent on and 'adjusted' to everybody else.

"This is the collectivist, the Socialist line of thought. It makes that supremely destructive word 'equality' acceptable to its adherents.

"But if we believe in our traditions, the foundations of our culture and even the foundations of our religion, we see that the ideal society is precisely the opposite: it is one which inspires the highest degree of character development; one which preserves and produces the greatest percentage of fine, capable, beautiful and successful individuals. And only a free society, wherein the individual must rely strictly on his own resources, his ambition, skill, alertness, energy and courage, can preserve and develop character. For character is a matter not of masses but of individuals.

"The proper place of the inventions and conveniences, wealth and luxury in the picture of civilization, is that of a worthy, desirable by-product and an indicator. It is not the goal;

BH 105-477

it most likely does not make men any happier or more civilized to travel at eighty miles an hour than at three. But the flourish of industrial development indicates something; it proves something; it is the evidence of a high degree of human character in action.

"There is no secret about the causes of the decline of the free American Republic. It began with the first world war; it has gained speed under each succeeding New Deal Socialist Administration, Democratic and Republican, since 1932. We are following the same general pattern of degeneracy as that followed by every great nation in recorded history. And the major causes are the same, repeated over and over in nation after nation. Still our law makers and Presidents, who are speeding our destruction, do not seem to see even the decline, to say nothing of understanding its causes."

Page 10 of Issue No. 48 of "The Thunderbolt" sets out an article captioned "Members Thanked" and "NSRP Members Print Book." Under this heading appears the statement:

"We want to thank our loyal members and supporters who made it possible for us to publish our first book, 'JEWISH RITUAL MURDER,' by the late ARNOLD S. LEESE of London, England. Already the Jews are screaming that we should be jailed for re-printing this great work. We want to thank all of you who contributed to this project, while this book will soon be sold out, a great deed has been done by re-injecting it back into the politics of the nation."

BH 105-477

Page 11 of Issue No. 48 of "The Thunderbolt" carries a main headline "NATIONAL STATES RIGHTS PARTY NEWS." Page 11 sets out an article captioned "'The Rebel' Publication Joins with 'Thunderbolt.'" This article reflects that "H. G. JONES, Editor, 'The Rebel,'" which had formerly been published in College Park, Georgia, had written a letter to Dr. EDWARD R. FIELDS, Editor of "The Thunderbolt." Page 11 set out an article bearing the caption "NSRP Pickets MARTIN LUTHER KING in Dallas and Montgomery." The article stated that KING was the guest of "Negro revolutionaries in Montgomery, Ala.," and that KING had come to Montgomery to speak at a meeting in which a "non-violent army" was to be formed by the "Red Negroes."

Page 11 of Issue No. 48 also carried an article captioned "BURKE Is Out," and this article states that EMORY BURKE had left the NSRP and set up a "one man, letterhead group." This article went on to state that not one member left the NSRP with BURKE and that malcontents and disruptors seem to have a way of eliminating themselves from the party.

Page 11 of Issue No. 48 of "The Thunderbolt" carried another article captioned "Prayer Petitions Presented to Congress--NSRP Pickets White House." The article stated that petitions containing the names of some 10,000 people calling for the Congress to restore prayer in the schools and curb the Supreme Court were presented to the Clerk of the U. S. House of Representatives in December. The article stated that members of the NSRP party picketed the White House on December 29, and that among those picketing for the NSRP were "JAMES K. The above article continued by stating that JAMES K. WARNER was the main speaker of the evening.

NSRP ACTIVITY IN ALABAMA

On February 27, 1963, a Special Agent of the FBI observed Dr. EDWARD R. FIELDS at his residence, 1509 Mims Street, S.W., Birmingham, Alabama.

Page 1 of Issue No. 45 of "The Thunderbolt" carried a caption "NATIONAL STATES RIGHTS PARTY CANDIDATE FOR U. S. CONGRESS." Under this caption was also a sub-caption "Montgomery Cafe Operator Qualifies for House Race." This article, which reflected that it was a reprint from "Montgomery Advertiser," a newspaper of Montgomery, Alabama, reflected that J. CHESTER ROBINSON, Montgomery restaurant owner, had qualified to run for a seat in the U. S. House of Representatives on the National States Rights Party ticket. This article gave considerable background information concerning ROBINSON and also set out certain provisions of his political platform, five of which are as follows:

- "1. Complete separation of the races and voluntary resettlement of American Negroes in Africa.
- "2. Opposition to foreign aid, the United Nations and negotiations with the Soviet Union.
- "3. Support for 'the poor, persecuted white man' and small businessmen.
- "4. Restriction of immigration to whites.
- "5. Impeachment or removal from office of any public official who endorses race-mixing or mongrelization."

Page 1 of Issue No. 45 of "The Thunderbolt" also carried an article captioned "ROBINSON Wires BARNETT Support." This article reflected that CHESTER ROBINSON, National States Rights Party candidate for Congress from Alabama, sent ROSS BARNETT, Governor of

BH 105-477

Mississippi, a telegram stating that the NSRP was behind him in interposing the authority of his office between the Federal Courts and the school (University of Mississippi). The article stated that Mr. ROBINSON urged Governor BARNETT to stand firm and not yield, that all loyal white Americans were with him.

Pages 6 and 7 of Issue No. 45 of "The Thunderbolt" carry a caption "NATIONAL STATES RIGHTS PARTY CONVENTION IS HUGE SUCCESS." On Pages 6 and 7 are set out numerous photographs of individuals attending and participating in the NSRP convention which was held in Montgomery, Alabama, over the Labor Day weekend in September, 1962.

Pages 1 and 2 of Issue No. 46 of "The Thunderbolt" contain an article bearing the caption "Only Massive White Vote Can Save B'ham City Comm." This article, in part, reads as follows:

"There can be no doubt that the vast majority of the White citizens of Birmingham favor our present strong form of government. Our three city commissioners are all strong segregationists. If they were liberal race-mixers, there would be no attempt to change our form of government to the weak and easily influenced Mayor-Council system."

Page 3 of Issue No. 46 of "The Thunderbolt" set out an article captioned "NSRP on Alabama Ballot - Drop the KENNEDY Four - Eight Conservatives Endorsed." This article also bore a sub-caption "Robinson Campaigns Hard" and states that CHESTER ROBINSON, National States Rights Party candidate for the U. S. Congress from Alabama, has led his opposition by taking the strongest stand for preservation of the White Race and our Southern way of life.

Page 3 of Issue No. 46 of "The Thunderbolt" also carried another article captioned "ROBINSON New Alabama State NSRP Chairman." This article reflected that "Honorable NED DUPES, National Chairman

BH 105-477

of the National States Rights Party in Knoxville, Tenn., announced the appointment of CHESTER ROBINSON as the new Chairman of the NSRP for the State of Alabama." The article continued by stating that Mr. ROBINSON had replaced VICK ASHURST, who had served out his one year term of office.

Page 10 of Issue No. 46 of "The Thunderbolt" carried a caption "NSRP Moves Into Larger Building." Immediately below this caption appears a photograph of Rev. OREN F. POTITO and Dr. EDWARD R. FIELDS. Immediately to the right of the photograph appears an article which reflects that the NSRP had recently moved into its new headquarters, which is located at 1865 Bessemer Road in Birmingham, Alabama. The article stated that the moving of the NSRP headquarters had put "us" behind in filling orders and new subscriptions which had been pouring in at an unprecedented rate.

Page 9 of Issue No. 47 of "The Thunderbolt" sets out an article entitled "Race Mixing Preachers Out of Place." It was reflected that this article was written by Rev. R. E. BROWN. Immediately to the left of this article is set out the photograph of a male individual. Above this photograph is the name "Rev. R. E. BROWN," and just below the photograph is set out the following:

"Rev. BROWN is Pastor of The Eastern Oorthodox Church, Brookside, Ala."

The above-mentioned article states that there seems to be a great deal of agitation among the clergy these days on the racial front. It is also stated that ministers of various denominations are "for the cause of racial integration." The article states that these ministers have degraded the Christian ministry by their lawless antics and lost any dignity they might have had by their associations with known criminals, dope addicts, and communists.

BH 105-477

It was also stated in this article, "Let us not be mislead by these people; INTEGRATION OF THE RACES IS NOT AND NEVER HAS BEEN A DOCTRINE OF THE CHRISTIAN CHURCH."

The article continues by stating that we have reached a high point of civilization as a white Christian nation, and stated that merging our white Christian culture with a culture which lived for thousands of years without discovering the principle of the wheel aids no one. The article also stated that we must teach, lead, but not "mingle or blend."

Page 10 of Issue No. 47 of "The Thunderbolt" carries the headline "INSIDE NEW NSRP HEADQUARTERS." Under this headline appear several photographs concerning the NSRP headquarters, which are located at 1865 Bessemer Road in Birmingham, Alabama, and persons connected with the NSRP headquarters.

Immediately below this photograph is another photograph of two male individuals holding up a sign which reads, "Death to All Traitors." Immediately above this last-mentioned photograph is the statement,

BH 105-477

It was stated that all members, subscribers, and supporters in California would be receiving a copy of "The Attack," "this month."

The above article continued by stating that the youth leader in California, "Mr. ROBERT LEWTON," was then in the process of forming a NSRP Security Division in California to guard their meetings and demonstrations against Communist attacks. The article stated that on August 11, NSRP members, under the leadership of JIM THORNTON and ROBERT LEWTON, led a demonstration against the so-called "Peace Marchers." It was stated that this operation against the "Peace Marchers" was a great success and a victory. It was set out that at "3 o'clock Saturday afternoon they marched into Laguna Beach (down town) and NSRP pickets were on hand to greet them." The article concluded by stating that most of the "Peace Marchers" had never heard of the NSRP before this, but "today they all know exactly what the NSRP is and what we plan to do with the like of them."

Page 11 of Issue No. 46 of "The Thunderbolt" sets out what is designated as the "NSRP Security Division Creed." It is indicated that this creed was submitted by "BOB LEWTON, NSRP - S. D. of Calif." This creed, as set out, contains twelve items, which read as follows:

- "1. The leader is always right.
- "2. Never violate discipline.
- "3. Never waste time in idle chatter, nor in self-gratifying criticism, but take hold and help.

BH 105-477

- "4. Be proud but not arrogant.
- "5. The program is your dogma; it demands your complete devotion to the cause.
- "6. You are a representative of the Party; govern your appearance and behavior accordingly.
- "7. Loyalty and unselfishness are the first commandments.
- "8. As a true patriot you must be a real brother to your fellow member.
- "9. Do to your members as you would have them to do to you.
- "10. In battle be steadfast and discreet.
- "11. Courage is not recklessness.
- "12. Whatever serves the interest of the movement, and through it America and the American people, IS RIGHT!!"

It was stated that POTITO had recently held a series of NSRP meetings in Miami, Jacksonville, and Tampa. The article stated that Rev. POTITO was a successful private businessman, was able to do a lot of traveling in the South, and that it was not uncommon to see his gold-colored Mercedes-Benz in many Florida towns.

Page 7 of Issue No. 45 of "The Thunderbolt" also carried another article captioned "States' Rights Party - Tampa Chapter Meets." This article reflected that some 45 members of the Tampa Bay Chapter of the NSRP met in Pinellas Park "last night" to hear speeches by leaders WESLEY SWIFT, Los Angeles, and OREN S. POTITO, St. Petersburg.

Page 5 of Issue No. 47 of "The Thunderbolt" contains an article captioned "Wife of Florida NSRP Leader Arrested Fighting Integration." This article reflected that Mrs. LEON C. BASS, wife of the Florida NSRP Vice Chairman, had recently been arrested and fined \$50.00 for attempting to keep Negroes from eating at white lunch counters. The article stated that, according to newspaper reports, Mrs. BASS entered the Woolworth Store in Orlando, Florida, and was confronted with the sight of a waitress about to serve two Negro women. It was stated that Mrs. BASS, according to newspaper reports, then tried to stop the waitress from serving them food and when this failed, she knocked the food being served to the Negroes onto the floor, then began slapping the Negroes.

The above article also stated that she was then arrested and taken to court. The judge used the

BH 105-477

same old coward's excuses for letting integration go on when he said, "Leave problems of segregation and integration up to other people."

Page 11 of Issue No. 46 of "The Thunderbolt" contains a caption "Raise That Confederate Banner" and a sub-caption "Atlanta NSRP Fights Mixing in Streets."

BH 105-477

An article under the above-mentioned caption states that "Jews seek the destruction of our White race! Negroes must go back to Africa!" This article stated that signs bearing the above wordings were carried by NSRP members in a demonstration against race mixing as Atlanta entered the second year of desegregation. The article stated that the demonstration was led by a Confederate Battle banner carried by JERRY DUTTON, a party officer based in Atlanta.

Page 11 of Issue No. 46 of "The Thunderbolt" also set out an article captioned "NSRP School Opens." The article stated that the National States Rights Party school of racial studies opened January 5, 1963. It was stated that this school is the only one of its kind in the United States and that at the school could be learned the facts on race and racial heredity taught by well-known experts in the field of race. The article further urged white youth to journey to the capital of the beautiful Southland, "Atlanta, Georgia"; "live with other racial comrades from other parts of the nation in spacious living quarters at our beautiful new Georgia state headquarters."

The above article pointed out that living necessities, such as food and shelter, were provided free to all students attending this school during the "four months of training program" and stated that because of limited accommodations, "we" are forced to accept only male members between the ages of 18 and 29. It was stated that this school is free to NSRP members "ONLY."

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP."

Dear Sirs:

The enclosed literature "The Thunderbolt" was received in the morning mail, unsolicited. The incorrect address on the envelope could only have been copied from a letter of mine appearing in the current issue of "Real West" magazine, (May, 1963, issue) page 9, entitled "Defends Navy Men".

Despite several months' membership in the Communist Political Association of the United States in 1945-1946, after being discharged from the Navy for a nervous condition, I still consider myself a loyal citizen, and a defender of American institutions and Government. In 1947, the Veterans' Administration dropped my disability rating for this nervous condition from 50% down to 0%.

Yours truly,

RE: RACIAL SITUATION
SCHOOL INTEGRATION MATTERS
NATIONAL STATES RIGHTS PARTY

On August 30, 1963, Birmingham Confidential Informant T-1, who has furnished reliable information in the past, advised that an open-air rally sponsored by the National States Rights Party (NSRP) was held at 7:30 p.m. on the evening of August 30, 1963. T-1 advised that this rally was held in the Cahaba Heights section, a suburb of Birmingham, Alabama, and the meeting was near the intersection of Crosshaven and Shades Lane.

A characterization of the NSRP is being attached to this letterhead memorandum.

BH T-1 advised that Dr. Edward R. Fields, Information Director of NSRP, was the main speaker at the above meeting, which was attended by an estimated crowd of some 250 people. T-1 stated Fields urged his listeners to resist integration of schools by supporting the NSRP and its aims. T-1 stated Fields remarked that the NSRP does not hate Negroes and is a non-violent organization. Fields stated he felt every citizen has the right to choose his associates and he personally does not choose to associate with Negroes or have his children associate with or go to school with them. Fields decried assimilation of races as a forerunner of mongrelization. Fields stated the whites did not normally react until pushed against the wall or until too late. Fields urged immediate steps to stop the integration or to close the (Birmingham) schools in protest and announced that the NSRP was sponsoring a motorcade to Montgomery, Alabama, from Birmingham, beginning at 10:00 a.m. August 31, 1963, for the purpose of presenting

petitions to Alabama Governor George C. Wallace urging him to halt the integration or close the schools. T-1 stated Fields urged interested citizens to join the motocade and meet at NSRP headquarters, 1865 Bessemer Road, Birmingham, for that purpose. T-1 stated that Fields also urged those in attendance to meet at NSRP headquarters on Wednesday, September 4, 1963, at 7:00 a.m. to proceed to (Birmingham) schools slated for integration and join NSRP members in a peaceful demonstration to halt integration or close the schools. Fields again stated that the school demonstrations would be non-violent.

T-1 advised that [] NSRP official, was also a speaker at the above NSRP rally and was introduced as a man who had been arrested for carrying the Confederate flag during a demonstration recently in downtown Birmingham protesting integration of lunch counters in Birmingham. [] remarked that now is the time to protest and urged dignified action rather than peaceful submission. T-1 stated [] remarked that the opposition offered to Government intervention in Oxford, Mississippi, Little Rock, Arkansas, and more recently in Louisiana was a more dignified approach than the complacent acceptance of integration as witnessed in Atlanta, Georgia. [] stated some well-meaning white citizens are apprehensive of Federal bayonets but pointed out that they are no different from the bayonets of local officers. T-1 stated [] remarked that any officer who furthered integration was an enemy of the white people and should be disregarded.

b6

On August 26, 1963, Birmingham Confidential Informant T-2, who has furnished reliable information in the past, advised that James Warner, NSRP official, Birmingham, had just made known that the Seventh Annual Convention of NSRP would be held in Birmingham, Alabama, on Labor Day weekend of 1963.

BH T-2 also mentioned that the NSRP was continuing its plans to conduct a motorcade leaving Birmingham on the morning of August 31, 1963, en route to Montgomery, Alabama, and return to Birmingham same date. BH T-2 stated NSRP planned the motorcade to deliver petitions bearing signatures of persons in Birmingham area requesting Alabama Governor George Wallace to close Birmingham schools rather than integrate them.

BH T-2 also advised that the above-mentioned NSRP convention was to be held at the Redmont Hotel, 4th Avenue, North, at 21st Street, in the Emerald Room, from 1:00 p.m. until 9:00 p.m. BH T-2 stated reservations for attendance at this convention were required at \$5.00 per ticket with the following speakers scheduled:

Attorney J. B. Stoner
Ned Dupes

Dr. Edward R. Fields

b6
b7C

BH T-2 stated all of the above persons are members and/or officials of NSRP.

On August 31, 1963, a caravan of approximately 50 cars, many carrying Confederate flags, departed area of NSRP headquarters, 1865 Bessemer Road, Birmingham, en route to Montgomery, Alabama, with Edward R. Fields, above mentioned, in the group. This caravan returned to Birmingham, Alabama, late August 31, 1963.

On August 31, 1963, Birmingham Confidential Informant T-3, who has furnished reliable information in the past, advised that Alabama Governor George Wallace had just advised a Jefferson County delegation that the was coming into Birmingham whether Birmingham wanted it or not. T-3 stated Wallace wanted the Jefferson County delegation to express concern over the ability of local law enforcement (Birmingham) to maintain control over the local situation. T-3 stated local police and authorities (Birmingham area) felt that they did not need assistance from Governor Wallace and would not ask for it. T-3 stated that in his opinion, Alabama Highway Patrolmen would be in Birmingham in time for school desegregation. T-3 stated that above-mentioned Jefferson County delegation were duly elected representatives from Jefferson County, Alabama, who are members of the State Legislature.

On August 31, 1963, Chief of Police Jamie Moore, Birmingham, Alabama, furnished the following data regarding schools to be integrated in Birmingham:

Chief Moore stated Graymont Elementary School will have two Negro students, [redacted] who will enter on September 4, 1963, as recently planned.

Chief Moore stated that the two high schools of Birmingham to be integrated are West End High School and Ramsay High School. Chief Moore stated that students to enter West End High School are [redacted] both girls, who are scheduled to enter the twelfth grade. Chief Moore stated that one male Negro student is scheduled to enter the twelfth grade at Ramsay High School and he is [redacted]

On August 31, 1963, Birmingham Confidential Informant T-4, who has furnished reliable information in the past, advised that a public rally was held on the evening of August 31, 1963, at the National Guard Armory, Graymont Avenue, Birmingham. This rally began at 7:30 p.m. and closed about 9:15 p.m. The rally was held under the auspices of the Committee for White Schools, a pro-segregation group, with Master of Ceremonies listed as [redacted] Chairman of the group, according to leaflet advertising rally. BH T-4 stated that the principal speaker at this rally was Reverend [redacted] a pro-segregationist, who during his speech advocated no violence. T-4 stated that the general theme of this meeting was criticism of the civil rights movement in general and the politicians who advocated and favored same. T-4 stated that at this meeting approximately 1,200 petitions were distributed to those in attendance to have their neighbors sign. These petitions were addressed to Alabama Governor Wallace and Dr. Theo Wright, Superintendent of Birmingham schools, advocating the closing of schools in accordance with various Alabama laws reportedly passed in 1957, 1959 and 1961.

BH T-4 further stated that at the above rally, during the course of the evening, a discussion was had concerning the closing of the schools in Prince Edward County, Virginia, and remarks were made pointing out the feasibility of this

procedure. T-4 stated instructions were given relative to delivering the petitions that were passed out and it was stated that when these petitions were signed, at 12:30 p.m. on September 2, 1963, all people having petitions would meet George Fisher, above mentioned, at Birmingham City Hall steps at which time an audience would be requested with Birmingham Mayor Albert Boutwell.

BH T-4 stated that a rally was scheduled in the National Guard Armory, Graymont Avenue, Birmingham, Alabama, for the evening of September 2, 1963, under the auspices of the United Klans of America.

A characterization of the United Klans of America, Inc., Knights of the Ku Klux Klan, is being attached to this letterhead memorandum.

BH T-4 also stated that George Fisher, during the course of his above-mentioned speech, stated parents were not required to send their children to integrated schools and in a negative manner praised those parents whom he remarked would have "gumption enough not to send their children." BH T-4 stated that the audience appeared to be a representative group of citizens of varying ages and varying degrees of dress and appeared to be generally in sympathy with the comments of the speaker. A free-will offering was taken up and BH T-4 estimated that approximately \$1,000 to \$1,200 was collected.

On August 31, 1963, Birmingham Confidential Informant T-5, who has furnished reliable information in the past, furnished substantially the same information as BH T-4 concerning the rally held at the National Guard Armory, Birmingham, on evening of August 31, 1963.

The "Birmingham News," a daily newspaper of Birmingham, Alabama, in its edition for September 1, 1963, carried an article which stated two white men, apparently planning to hand a Negro dummy in effigy, were arrested on August 31, 1963, at the West End High School in Birmingham. According to this article, the men arrested were [redacted] age 22, of [redacted], North, and [redacted] age 21, of [redacted], both of Birmingham. They were charged with trespassing and disorderly conduct. According to the article, Lieutenant Maurice House, Birmingham

b6
b7C

Police Department, was quoted as saying that [] and [] had with them a dummy with a black face and shirt and trousers stuffed with paper. Reportedly, [] and [] were spotted behind the West End High School about 1:45 a.m., September 1, 1963, and were arrested at that time. The article also stated "practically all" Birmingham schools were under careful surveillance by either policemen or Civil Defense volunteers. On September 1, 1963, Birmingham Police Chief Jamie Moore verified the above-mentioned information except he stated that [] resides at [] West, rather than []

b6
b7c

On July 2, 1963, Birmingham Confidential Informant T-6, who has furnished reliable information in the past, advised that [] not otherwise identified, were present at a meeting of Eastview Klavern #13, United Klans of America, Inc., Knights of the Ku Klux Klan, in Birmingham, on night of June 27, 1963. T-6 advised that he is unable to furnish any further identifying or background information concerning [] and does not know either of these men personally nor does he know whether they are full-fledged members of the United Klans of America, Inc., KKKK.

On September 1, 1963, Birmingham Confidential Informant T-7, who has furnished reliable information in the past, advised that the NSRP held its Seventh Annual Convention at the Redmont Hotel, in the Emerald Room, 4th Avenue, North, at 21st Street, Birmingham, from 1:00 p.m. to 9:00 p.m. on September 1, 1963. BH T-7 stated the main speakers were Dr. Edward R. Fields, Information Director of NSRP; Attorney J. B. Stoner of Atlanta, Georgia; Ned Dupes, National Chairman of NSRP; Dewey Taft, of Miami, Florida; and [] NSRP official of Birmingham. T-7 stated there were representatives from several states at the convention and estimated that about 100 persons attended the convention.

T-7 stated the NSRP planned to demonstrate in regard to desegregating Birmingham public schools. Fields stated they planned to intercept parents bringing their children to school and to try to persuade parents to demand that their children be transferred from integrated schools and to boycott the three Birmingham schools to be integrated. Fields stated J.B. Stoner, an attorney of Atlanta, Georgia, would be in

Birmingham for several days to provide legal counsel for NSRP members and others taking part in demonstrations against mixing the public schools of Birmingham, Alabama. T-7 stated that Ned Dupes made several introductions of out-of-state guests and also spoke out against integration in regard to Birmingham Public Schools and integration in any manner.

BH T-7 also stated that J. B. Stoner spoke at great length and was very bitter against the FBI and law enforcement officers in general. Stoner stated he wanted to discuss some pleasant things during his speech and to discuss some obnoxious things and that the most obnoxious was the FBI, which he desired to speak about first. Stoner stated when he mentioned the FBI that the FBI was better known in the south as the Federal Bureau of Integration. Stoner stated the FBI had no jurisdiction unless a Federal matter was involved and urged everyone to allow no FBI Agents in their homes unless a search warrant was exhibited.

T-7 also stated that [] spoke at the convention and gave a report on the various open-air rallies held recently by the NSRP in Alabama.

BH T-7 stated that there was no violence advocated at the convention and there were no incidents which occurred at the convention.

T-7 also stated that Stoner remarked that law enforcement agencies sympathized with Communism and race mixing and that an NSRP man should be on the Presidential ballot of 1964.

T-7 stated [] an NSRP official, Birmingham, spoke on youth recruiting and its importance to the NSRP.

[] did not state how many young people had been recruited or give any statistics.

b6
b7c

T-7 stated that Mrs. [] National Organizer, NSRP, from Little Rock, Arkansas, spoke on how to organize new units. Mrs. Bishop did not give any figures or locations concerning units. T-7 stated that Dr. Edward R. Fields told how two NSRP members, [] NSRP organizers in southern California, had secured 1,000 members in one and

one-half years. Fields did not give [redacted] residences.

BH T-7 stated that [redacted] from Ohio, head of the NSRP in Ohio, spoke of activities in Ohio and told of the news bulletin which he prints. T-7 also stated that Dr. Fields indicated that the NSRP would carry signs and pass out literature in the vicinity of the three Birmingham public schools to be integrated on September 4, 1963. T-7 also stated that [redacted] above mentioned, remarked that he and [redacted] an NSRP official, plan to tour the United States this coming fall and winter and would hold public rallies. T-7 stated [redacted] did not elaborate on the plan for this tour.

b6
b7C

BH T-2 furnished substantially the same information concerning the NSRP convention held in the Redmont Hotel, Birmingham, on September 1, 1963, as furnished by BH T-7.

On September 1, 1963, Birmingham Confidential Informant T-8, who has furnished reliable information in the past, advised that he has received information that the following listed individuals were in Birmingham, Alabama, on September 1, 1963, and probably attended the Seventh Annual Convention of the National States Rights Party held at the Redmont Hotel, Birmingham, on that date. BH T-8 stated he based his conclusion on the fact that hotel reservations had been made in Birmingham for the following individuals in connection with the National States Rights Party Convention, and that these persons confirmed their reservations after arriving in Birmingham on Labor Day week-end of 1963. T-8 advised that he did not attend the National States Rights Party Convention and could furnish no further details concerning it.

On September 2, 1963, Birmingham Confidential Informant T-9, who has furnished reliable information in the past, made available information concerning some of the speeches at the Seventh Annual Convention of the National States Rights Party held at the Redmont Hotel, Birmingham, on September 1, 1963. This information reflects that Dr. Edward R. Fields stated that the NSRP was planning an outdoor meeting on the evening of September 3, 1963, near Midfield, Alabama, and that at this meeting, those in attendance would be encouraged to join the NSRP on a march to the three schools to be integrated in Birmingham on September 4, 1963. Reportedly, the only comment that could possibly be interpreted as advocating violence was FIELDS' comment that they would march on the schools and that they did not intend to be pushed around by police. Fields followed this comment with the statement that he thought they would be allowed to demonstrate. Fields then said they planned to intercept parents bringing children to schools and would try to persuade the parents to demand that their children be transferred from integrated schools to an all-white school.

J. B. Stoner, Attorney for NSRP from Atlanta, according to information from T-9, spoke for approximately one hour and a half at the convention, and about an hour of his speech was devoted to criticism of the FBI. Stoner stated he would cover the most obnoxious subject of his speech first, and that the most obnoxious was the FBI. He stated that the FBI was the most over-rated organization in the United States. There is more propaganda in favor of the FBI than any other organization, and there is less criticism; and that the FBI is portrayed to the American people as being an organization against the Communist party, when the Communist party is becoming more powerful. Stoner stated the FBI let the Communist Party spies steal every military secret that we had, and that the FBI is the American counterpart of the Soviet Secret Police, and has been built up by Communist-Jewish Conspiracy by propaganda, to be effective as secret police, otherwise would not be accepted by American people. He stated that the FBI does not bother Communists, but that they concentrate on prosecuting white Christian Americans. The Communist Party, USA, and its affiliates have been designated by the Attorney General of the United States, pursuant to Executive Order 10450.

J. B. Stoner stated that for good paying Government jobs, the members of the FBI are willing to betray their country to the "Jew-Communist conspiracy", and that before a patriotic American would work for the FBI, he would tear his credentials in two, throw them on the ground, and stomp on them. According to Stoner, the NSRP, ever since its existence, has been plagued with FBI undercover agents, and that there is not a citizens council, klan, or states rights organization that is not infiltrated by the FBI.

Stoner continued his remarks by stating that it (FBI) is a political police organization, and he also criticized security squads in Atlanta, Georgia, and the Georgia Bureau of Investigation. He also stated that if the FBI knocks on your door, ask them if they have a warrant. If they don't, insult them and say words to them worse than words would use to anybody else, and tell those mangy dogs to get off your property. Stoner stated don't answer their questions, and when an integrationist, pro-Communist law enforcement agency asks questions, refuse to answer them.

According to information furnished by T-9, Stoner, among his many accusations, also stated that the FBI was the enemy of America, and the enemy of all patriotic organizations.

On September 2, 1963, Birmingham Confidential Informant T-10, who has furnished reliable information in the past, advised that he had just received some unofficial information indicating that Colonel Al Lingo, Director of Department of Public Safety, State of Alabama, intended to bring 250 State troopers to Birmingham on the morning of September 3, 1963, where they were to be stationed at an unidentified National Guard Armory.

On September 2, 1963, Mr. Macon L. Weaver, United States Attorney for Northern District of Alabama, Birmingham, advised that, based on information available to him, he was of the opinion that Alabama Governor George Wallace hoped to delay school integration at Tuskegee, Alabama, and Huntsville, Alabama, until September 30, 1963, with the hope that difficulties would occur in Birmingham, and that the intervention of Federal troops might be required.

On September 2, 1963, BH T-4 advised that the United Klans of America, Incorporated, above mentioned, sponsored a rally open to the public at the National Guard Armory, Graymont Avenue, Birmingham, on the night of September 2, 1963, from 7:30 P.M., to 10:30 P.M.. T-4 advised that approximately 900 persons attended this rally. T-4 stated that Robert Shelton, Imperial Wizard, United Klans of America, Incorporated; Rev. George Fisher; and Rev. Ferrell Griswold, both Baptist ministers and strong segregationists, alleged that the current civil rights movement, including equal rights for Negroes, was Communist inspired, and urged all white citizens to unite in effort to petition the State and local authorities to close the public schools, rather than integrate them.

BH T-4 further advised that the speakers at the above mentioned UKA rally did not advocate violence in their remarks.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

UNITED KLANS OF AMERICA, INC.,
KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of the Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name UNITED KLANS, KNIGHTS OF THE KU KLUX KLAN OF AMERICA, INC.

A source advised on February 27, 1961, that UNITED KLANS was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, the Alston Building, Tuscaloosa, Alabama. The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South, with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as UNITED KLANS OF AMERICA, INC., KNIGHTS OF THE KU KLUX KLAN. The second source said the name was changed by a resolution adopted at the National Klonvocation held July 8, 1961, at Indian Springs, Georgia.

**NATIONAL STATES RIGHTS PARTY,
Also Known As
RACIAL MATTERS**

On September 13, 1963, a first confidential informant and a second confidential informant advised that according to available information, one [redacted] Chicago, Illinois, who is identified as Chairman, Illinois National States Rights Party (NNSRP), has called a meeting of the organization for 8:00 pm on September 13, 1963. Sources advised the meeting is to be held in the Colonial Room of the Georgian Hotel, 422 Davis Street, Evanston, Illinois.

b6
b7c

Above sources advised that the meeting apparently has not been well publicized nor has the purpose of this meeting been indicated, however, it is rumored that the racial question today will be the main topic of the gathering.

On September 14, 1963, mentioned individuals advised that the meeting scheduled for the Georgian Hotel in Evanston, Illinois, on September 13, 1963, was held in the Tip Top Room of that hotel, 422 Davis Street, Evanston, commencing at approximately 8:30 pm. The meeting believed at an earlier time to be that of the NNSRP was actually not of that organization but rather a gathering of a "conservative" group. The group was composed of men and women in their mid-fifties who were meeting on that night to discuss the position of the United States in the United Nations.

Sources stated that no mention whatever of the NNSRP was made or of any other organizations. It was announced that the group met with the idea to form a permanent organization but such did not materialize. They had intended to develop a name for their group but this was not accomplished. It was not evident sources stated that this group had met before and some talk was had that a future meeting might be held, however, no plans were actually formalized for such a meeting.

RE: NATIONAL STATES RIGHTS PARTY

Sources continued that no memberships were solicited in the proposed organization and it was noted that no literature of any description was sold at the meeting. It was the opinion of the sources that the group which met were "odd balls" and the type who really did not have a real issue to protest. The main theme of the discussion on the evening in question was centered on the belief that the United States should be out of the United Nations. Nothing of a pertinent nature was decided or planned.

Sources stated that no question of the racial issue was raised at the meeting in any way. At the end of the meeting a collection was taken for the purpose of satisfying expenses of the evening and a sum of approximately \$40.00 was received.

Details of this matter were discussed on September 13, and 16, 1963, with Lieutenant [redacted] Evanston, Illinois Police Department.

On this same date, details were furnished to Sergeant [redacted] Human Relations Section, Chicago Police Department.

On September 13, and 16, 1963, details of this matter were furnished to [redacted] Region I, 113th INTC Group, Chicago, Illinois.

Dear Sirs:

About a week ago I listened to the Huntley - Brinkley Report at about 6:30 Central Daylight Time in Chicago on TV and I was very much surprised to see and hear what is going on down south by the "National States Right Party".

They damned the negroes and Jews and especially our President of the United States John F. Kennedy especially when they burned his body in effigy.

I am a member of that party, under an assumed name, so that I can know and find out what they are doing and the "stuff" they mail me is sickening and I donot understand why it is permitted thru the mails.

As soon as I receive any of their literature or mail I forward same to our National Headquarters in Washington, D.C. I am sure our National Executive Director Joseph Barr can show you what I have been sending him. They have sent thru the mails publications, their "Thunderbolt" that is very insulting to the Jews and alsoto our President, Mr. Kennedy.

Why is such an organization permitted to exist, especially after seeing a Nation-wide TV picture of what they are doing and thinking about Mr. Kennedy.

May I please hear from you regarding this matter?

Yours truly,

Maurice Lepavsky

8 Indicted in Birmingham School Race Violence

Obstructed Court Orders, Grand Jury Charges

(Chicago Tribune Press Service)

Eight members of the National States Rights party were indicted by a federal grand jury yesterday in Birmingham, Ala., on charges growing out of attempts in the last two weeks to interfere with court-ordered racial desegregation in three Birmingham public schools.

United States District Judge Clarence Allgood, who convened the jury a week ago, received the indictment, which contained six counts and listed 26 overt acts. He then recessed the jury subject to recall, as soon as authorities are ready to present evidence on the Sept. 15 church bombing that killed four children.

Asks Further Probe

He also said he wants the jury to investigate attempts he said had taken place to intimidate him and the jury.

"We bitterly resent any person or persons thinking that they could successfully intimidate or influence either this grand jury or the court," Judge Allgood said. He praised the jurors for their courage and said he has requested the Federal Bureau of Investigation to look into the intimidation reports.

Chicagoan Indicted

Those indicted were: Dr. Edward Fields, information director of the National States Rights party; Gerald Dutton, 22, of Atlanta, a party youth leader; Ralph Lewandowski, 18, of Chicago; Jack Cash, 56, of Birmingham; Jesse B. Stoner, 69, of Atlanta, attorney for the

party; James K. Warner, 24, of Wilkes-Barre, Pa., associate editor of the party's newspaper; and David Stanley, 19, and Bernie Carmack Jr., 29, both of Birmingham.

Fields, Dutton, Lewandowski, and Cash surrendered and were freed on bond.

Charges Police Attack

The first count charged all except Cash with conspiring to interfere with the court's desegregation order. The second and third counts accused all except Fields, Stoner, and Cash of obstructing justice on the opening day of the schools, Sept. 4. The fourth and fifth counts charged Cash with obstructing justice Sept. 10 at Ramsey High

school and the sixth count said Cash had a sawed-off shotgun in his car on the same day.

The conspiracy count said that the defendants, except Stoner, attacked and interfered with police, made violent attempts to break thru police lines and enter the schools, and threw stones at persons entering Graymont elementary school.

This count also said that Fields, Dutton, Stoner, and others advocated illegal resistance to the desegregation order at a series of meetings.

Maximum penalties are: conspiracy, five years and \$10,000 fine; obstruction of justice, five years and \$5,000; violation of

national firearms act, five years and \$2,000.

Birmingham Bigots Indicted Following "Tip" In Crusader

A "tip" published in the Sept. 21 issue of The Crusader has apparently triggered the action by which two notorious racists were indicted by a federal grand jury in Birmingham, Ala.

The item appeared in the "Chicago Lowdown," a column carried weekly in the Gary and Chicago editions of The Crusader.

Edward Fields is head of the Birmingham-based National States' Rights Party, reported in the "Chicago Lowdown." "Why aren't they questioning him about the church bombing of last Sunday? And why not interrogate Jessie B. Stoner, an associate of Fields who had said that he advocates a law under which being a Negro or Jew would be punishable by death."

Three days after the publication of the Sept. 21 column, Fields, who has now assumed the post of information director of the party, and Stoner, an Atlanta, Ga. attorney, were indicted by a federal grand jury in Birmingham for interference with court-ordered racial desegregation of three public schools in the city.

Six other members of the party were indicted with them. They are: Gerald Dutton, 22, Atlanta, a party youth leader; Ralph Litwadowski, 18, Chicago; Jack Cash, 56, Birmingham; James K. Warner, 24, Wilkes-Barre, Pa., asso-

ciate editor of the party's newspaper; David Stanley, 19, and Bernie Carmack Jr., 29, both of Birmingham.

Six counts and 28 overt acts were listed in the indictments presented to U.S. District Court Judge Clarence Allgood.

Judge Allgood convoked the jury after a brief recess, will return to probe the Sept. 15 church bombing. Allgood denounced attempts to intimidate the court and the grand jury.

"We bitterly resent any person or persons thinking that they could successfully intimidate or influence either this grand jury or the court," he said.

The state's rights party appears to specialize in bombing. Five of its members were accused of dynamiting a synagogue in Atlanta, Ga., in 1958.

The party used the emblems of Hitler's Nazis on its newspaper The Thunderbolt. Back in 1946, Stoner, then 28, was one of the youngest Klugeles of the Ku Klux Klan.

Occasionally, he serves as legal advisor to the party. James Venable, Atlanta, is the organization's permanent counsel.

He admitted recently that at one time he was also attorney for the Black Muslims.

"That was only one time," he said. "I didn't know anything about the Black Muslims, who they were or anything, and some of them got in trouble in Louisiana and asked me to defend them, and I did."

And, anyhow, they were all found guilty. Besides, look at it another way, the Muslims want the same thing we do. They don't want integration, either."

in the appendix to this report.

BH 105-477

Issue No.53 of "The Thunderbolt" for August, 1963, on page twelve reflects that Dr. EDWARD R. FIELDS is the Editor and JAMES K. WARNER is the Associate Editor of "The Thunderbolt." This newspaper is published monthly, and has Post Office Box 783, Birmingham, Alabama.

Issue No.49 of "The Thunderbolt" for February, 1963, is devoted to the theme "Communism is Jewish." Page one of this issue carries the caption "COMMUNIST PARTY MEETS IN JEW CENTERS." Page two and three carry a headline "Jews Completely Dominate U. S. Communist Party." Page four of this issue carries the caption "Jews Say 'Communism is Jewish.' " Pages six and seven carry the headline "Every Communist Spy Ring in America Has Been Run By Jews." Pages eight and nine of this issue carry what is purported to be Chapter 19 of "The International Jew," allegedly written by HENRY FORD, Founder of Ford Motor Company.

Articles and photographs were set out in Issue No.49 of "The Thunderbolt" concerning various individuals, groups and activities reportedly bearing out the truth of the above-mentioned allegations and headlines.

The Communist Party, U. S. A. and its affiliates, has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Issue No.50 of "The Thunderbolt," dated March - April, 1963, was devoted to the theme "Goldwater a Fraud." A considerable portion of Issue No.50 of "The Thunderbolt" was devoted to statements villifying Senator BARRY GOLDWATER, his record as a public official, and villification of "Jewish" persons and allegations that Communists were arming Negroes to exterminate the white race.

Issue No.50, on pages eight and nine, also contained an alleged portion of "The International Jew," allegedly written by HENRY FORD, Founder of the Ford Motor Company.

Along with Issue No.50 of "The Thunderbolt" was included a four-page section captioned "The Thunderbolt Magazine Section," dated April, 1963. This section reflected

BH 105-477

that "The Thunderbolt" had printed its fiftieth issue and that "NSRP Members Chosen to Save Nation." Pages two and three carried a caption "National States Rights Party Americas Largest Third Party." Under this caption was what was designated as a brief history of the NSRP and on page two was set out a photograph of the national headquarters of the NSRP which is located at 1865 Bessemer Road in Birmingham, Alabama.

Issue No.51 of "The Thunderbolt," dated May, 1963, was devoted to accusations that President JOHN F. KENNEDY was guilty of adultery in 1958 and this issue bore the caption "JFK Accused of Adultery." Pages one and two of this issue carried articles and photographs allegedly pertaining to this allegation. Pages three, four, and five contain articles villifying people with Jewish ancestry.

Pages eight and nine of Issue No.51 of "The Thunderbolt" reflected what was alleged to be Chapter 14 of "The International Jew," reportedly written by HENRY FORD, Founder of Ford Motor Company.

Issue No.52 of "The Thunderbolt," dated July, 1963, was devoted to the theme "Goldwater a Fraud" and was, in the most part, repetitious of the above-mentioned Issue No.50, dated March - April, 1963. Issue No.52 was only a four-page edition and, as previously mentioned, was dedicated to the villification of U. S. Senator BARRY GOLDWATER, his public record and his alleged ancestry.

Issue No.53 of "The Thunderbolt," dated August, 1963, was devoted to the theme "Non-Whites Flooding America." Page one of this issue carried a long article allegedly written by J. B. STONER, Atlanta, Georgia, attorney, concerning Negroes, Whites, and Jews. Pages two, three, four, and five of Issue No.53 carried articles condemning mixing of the races and several photographs showing mixed marriage couples and the wording "Social Mixing Leads to Mixed Marriage and Mongrelized Children."

Issue No.53 of "The Thunderbolt," on pages eight and nine carried what was alleged to be Chapter 15 of "The International Jew," by HENRY FORD, Founder of Ford Motor Company.

BH 105-477

Issue No.53 of "The Thunderbolt," on page ten carried the caption "The Jew President of the NAACP says 'The Final Solution to the Race Problem Will be Found in the Bedroom' — Mongrelization of the Races is the Real Objection of the Race Mixers." Under this caption is set out a photograph of a Negro man and a white woman, and below this photograph is an article alleging that the ultimate goal of the National Association for the Advancement of Colored People (NAACP), and "every other professional race-mixing organization" was the mongrelization of the races.

NSRP ACTIVITY IN ALABAMA

On October 2, 1963, Birmingham Confidential Informant T-1 advised that Dr. EDWARD R. FIELDS, Information Director, of the NSRP, continues to reside at 1509 Mims Street, Southwest, Birmingham. BH T-1 stated that the national headquarters of the NSRP continues to be located in a residential building at 1865 Bessemer Road, Birmingham, and that [redacted] reside in the NSRP Headquarters Building and are employed by the NSRP in Birmingham.

b6
b7C
b7D

Issue No.49 of "The Thunderbolt," on page eleven carried an article captioned "Admiral CROMMELIN Runs For Mayor." This article reflected that on January 30, 1963, Admiral JOHN G. CROMMELIN announced that he would run for mayor of his home town, Montgomery, Alabama. The article stated that Admiral CROMMELIN was no stranger to "Thunderbolt" readers and stated that no patriot had done more to bring the truths of the "Communist Jewish Conspiracy to the American Public than this brave man." This article urged readers of this newspaper to contribute funds and services to help elect CROMMELIN as Mayor of Montgomery, Alabama.

Issue No.50 of "The Thunderbolt," on page six carried an article captioned "NSRP March on U of Ala." Under this caption was a photograph of JAMES K. WARNER and JERRY DUTTON, above mentioned, which reportedly had been taken while WARNER and DUTTON were picketing against the appearance of a lecturer at the University of Alabama in Tuscaloosa, Alabama, on March 26, 1963. The article stated that Mr. ARTHUR DEAN had been scheduled to speak at the University of Alabama on March 26, 1963, and that at about 3:00 p.m. on that date, WARNER, DUTTON, and others set up a picket line on the university campus and carried signs

BH 105-477

reading "Keep Alabama White;" "Stand Up For Alabama;" and "KENNEDY'S Race Mixed Stogie Not Wanted in Alabama." The article further advised that WARNER was arrested in regard to this activity and charged with "trespass after warning." (Details of WARNER's arrest being set forth hereinafter).

Issue No.51 of "The Thunderbolt" on page six carried an article "Who Sold Out B'ham," which article alleges that a "sell out" came from the local Jew-Dominated Chamber of Commerce. Also, on page six was an article captioned "NSRP Opposes KING." This article stated that "during the past months the NSRP had conducted four well publicized demonstrations in Alabama," and the article went on to state that An effigy of "MARTIN LUTHER KING," a pro-integration leader, had been displayed hanging by the neck in front of our office building (which is located on Bessemer Road -- the widest and biggest street in Birmingham).

Issue No.53 of "The Thunderbolt," on pages six and seven carried the caption "National States Rights Party - the Mass Meeting Movement." Page six carries an article reflecting that Dr. EDWARD R. FIELDS was appealing a six-months jail sentence which he had received on August 2, 1963, in Birmingham. This article stated that FIELDS had been sentenced to six months in prison and fined \$100 for "parading without a license." Page six also contains two other articles which apparently had appeared in some newspapers in Birmingham in regard to this arrest of FIELDS. (Details concerning this arrest will be set out later in this report). Page seven of Issue No.53 of "The Thunderbolt" carried an article captioned, "Mass NSRP Meetings." This article stated that the NSRP had held more outdoor mass rallies during the "past three months than they had ever held before during their seven years of existence." The article pointed out that these rallies had been held in various cities and/or communities of Alabama and that they had had good crowds turn out for the rallies.

On March 26, 1963, Sergeant [redacted] University of Alabama, Police Department, Tuscaloosa, Alabama, advised that the following individuals, wearing armbands of the NSRP, had been questioned by him at the Tuscaloosa Police Department, where they had been requested to appear for questioning:

[redacted]

Sergeant [redacted] advised that he first observed these individuals on the campus of the University of Alabama at about 3:00 p.m. on March 26, 1963, at which time he observed them to be carrying signs of the NSRP, which signs bore the following quotations:

"National States Rights Party - Stand With Students;" "Race Mixer [redacted] Not Welcome;" "Keep Alabama White;" "Stand Up For Alabama;" "Washington Brainwashers Not Welcome."

b6
b7C

Sergeant [redacted] also stated he ordered the above individuals off the University campus in view of the fact that picketing was against the University policy and due to the fact that the university property was private property. He stated he informed these individuals that if they reappeared on the campus of the University of Alabama they would be arrested.

On March 27, 1963, Sergeant [redacted] advised that [redacted] Associate Editor of "The Thunderbolt," had been arrested by him and Officer [redacted] of the University of Alabama Police Department on March 26, 1963 for trespassing after warning. BH 105-477

On June 11, 1963, BH T-1 advised that the NSRP held an open-air meeting at Fultondale, Alabama, at 7:30 p.m. on that date. BH T-1 stated that Dr. FIELDS, in a thirty minutes speech, attacked Negroes, Jews, President KENNEDY, and integration. FIELDS stated that if there had been any "real white people" in Tuscaloosa, those "niggers" would not have been enrolled at the University. FIELDS said that the National Guard should be abolished and that President KENNEDY was trying to establish a military dictatorship and that the "Jews" were behind him. FIELDS stated that the Negro students would only be at the University of Alabama as long as Federal troops or United States Marshals stayed there.

BH T-1 also stated that another speaker at the June 11, 1963, rally was a Reverend [redacted] of San Bernardino, California, a member of the NSRP, who spoke in favor of segregation, and stated that no Negro civilization had ever created anything and that Negroes did not have minds to create anything. BH T-1 also stated that [redacted] an officer of the NSRP, was the last speaker at this rally. [redacted] explained the organizational setup of the NSRP, and requested the people present to leave their names and telephone numbers in order that they might be called at a moment's notice to fight for segregation.

b6
b7C
b7D

BH T-1 further advised, in regard to the above-listed open-air rallies of the NSRP which were attended by him, that FIELDS and other speakers usually made almost identical remarks or hate speeches at these rallies and these speeches were generally anti-Semitic, anti-Negro, and anti-KENNEDY Administration.

During July and August of 1963, the NSRP had some of its officials, members, and sympathizers visit the downtown Birmingham, Alabama, stores in order to observe whether attempts were being made to desegregate the lunch counters of any downtown Birmingham stores. Some of these persons were observed on a number of occasions to have distributed mimeographed leaflets containing comments sharply critical of the proposed integration plans of the downtown merchants. Some of these leaflets were captioned, "Daily Bulletin," and some later ones were captioned, "Weekly Bulletins." These bulletins were reportedly put out by the NSRP and some of them specifically mentioned WOOLWORTH'S, LOVEMAN'S, PIZITZ, KRESS', and BRITT'S Department Stores in downtown Birmingham which had agreed to permit desegregation of their lunch counters. (BH T-1, July 12, and 24, 1963; BH T-9, July 26, 1963)

On July 17, 1963, BH T-1 advised that [] an official of the NSRP in Birmingham, recently had in his possession a paper-bound book entitled, "Know Your Enemies' Tactics." BH T-1 said that this book contained information on guerilla warfare, propaganda, sabotage, and spying. On the cover page was the quotation, "Eternal Vigilance is the Price of Liberty." The book was characterized as being volume one, with sixty-four illustrations and a foreword by Colonel VIRGIL NEY. On one of the pages in the front of the book was the inscription, "By Cross Fire." T-1 said that this book contained information on how to make all types of homemade bombs, Molotov cocktails, how to destroy buildings, railroads, etc.

b6
b7C
b7D

On July 17, 1963, BH T-1 also advised that Dr. FIELDS stated that he had received information to the effect that the downtown merchants in Birmingham intended to desegregate their lunch counters about July 22, 1963. BH T-1 said that Dr. FIELDS began sending two or three of his NSRP members to downtown Birmingham about July 15, 1963 to observe the principal lunchrooms involved, such as WOOLWORTH'S and KRESS' Stores. T-1 said that Dr. FIELDS stated that he intended to use violence, if necessary, to prevent the desegregation of the lunch counters.

On July 31, 1963, Captain [] Birmingham Police Department, advised that four white male individuals had been arrested by officers of the Birmingham Police Department on that date in connection with the picketing of WOOLWORTH'S DEPARTMENT STORE and BRITT'S DEPARTMENT STORE in downtown Birmingham. [] stated that these four men were NSRP members; namely, DR. EDWARD R. FIELDS, [] and [] Captain [] stated that Dr. FIELDS, [] were arrested on charges of parading without a permit and that WARNER was arrested for disorderly conduct.

The "Birmingham-Post Herald," a daily newspaper of Birmingham, Alabama, in its final edition for August 3, 1963, carried an article on page thirteen which was captioned, "4 Men Convicted for Demonstrating." This article stated that four members of the NSRP had been arrested on July 31, 1963, in downtown Birmingham while demonstrating against integration of lunch counters, and that they had been fined and sentenced to jail on August 2, 1963, in the Recorder's Court of Birmingham.

BH 105-477

According to the above article, the four NSRP members were each fined \$100 and costs, and given 180 days in jail, which fine and sentence the defendants appealed and were released on \$1,000 bonds each shortly after they reached the jail.

On August 20, 1963, BH T-1 made available a petition captioned, "CLOSE MIXED SCHOOLS."

This petition carried a sub-caption "Private ALL-WHITE Schools the Only Answer." This petition was addressed to Honorable GEORGE WALLACE, Governor of Alabama, Montgomery, Alabama, and reflected that it was a petition of the NSRP, 1865 Bessemer Road, Birmingham, Alabama, and that Dr. EDWARD R. FIELDS was the Information Director of the NSRP. The petition contained blanks for names, addresses and telephone numbers of persons who would sign same. The petition reflected that all the petitions should be turned in no later than August 29, 1963, in order that they might be taken to Montgomery on August 31, 1963, by a motorcade to present the petitions to Governor WALLACE. BH T-1 stated that FIELDS and NSRP officials and members in Birmingham were, as of August 20, 1963, making plans for the NSRP motorcade to go from Birmingham to Montgomery and return on August 31, 1963.

On August 30, 1963, BH T-7 stated that Dr. FIELDS spoke at the open-air rally sponsored by the NSRP, which was held at 7:30 p.m. on that date in the Cahaba Heights Section of Birmingham. BH T-7 stated that FIELDS urged his listeners to resist integration of Birmingham public schools by supporting the NSRP and its aims. BH T-7 stated FIELDS remarked that the NSRP does not hate Negroes and is a non-violent organization. FIELDS described assimilation of races as a forerunner of mongrelization. BH T-7 stated that FIELDS also urged those in attendance at this rally to meet at NSRP headquarters at 7:00 a.m. on September 4, 1963, to proceed to the Birmingham schools slated for integration and to join NSRP members in a peaceful demonstration to halt integration or close the schools.

On September 1, 1963, BH T-2 advised that the NSRP held its Seventh Annual Convention at the Redmont Hotel in the Emerald Room, Fourth Avenue, North and 21st Street, Birmingham, from 1:00 p.m. to 9:00 p.m. on September 1, 1963.

BH 105-477

BH T-2 stated that the main speakers were Dr. EDWARD R. FIELDS, Information Director of NSRP; Attorney J. B. STONER of Atlanta, Georgia; NED DUPES, National Chairman of NSRP; DEWEY TAFT of Miami, Florida; and [redacted] Associate Editor, of "The Thunderbolt." BH T-2 stated that there were representatives from several states at the convention and estimated that about 100 persons attended the convention. BH T-2 also stated that it was announced at this convention that the NSRP planned to demonstrate in regard to the desegregation of Birmingham public schools. FIELDS stated they planned to intercept parents bringing their children to school and to try to persuade parents to demand that their children be transferred from integrated schools and to boycott with three Birmingham public schools to be integrated. FIELDS also stated that J. B. STONER, an attorney of Atlanta, Georgia, would be in Birmingham for several days to provide legal counsel for NSRP members and others taking part in demonstrations against mixing the public schools of Birmingham.

b6
b7C

BH T-2 also stated that at the convention, J. B. STONER spoke at great length and was very bitter against the FBI and law enforcement officers in general. STONER, among numerous other remarks made concerning the FBI, stated the FBI had no jurisdiction unless Federal matters were involved and urged everyone to allow no FBI Agents in their homes unless a search warrant was exhibited.

On the morning of September 4, 1963, the public schools of Birmingham, Alabama, opened for the Fall Term of 1963. Three public schools of Birmingham were then scheduled to be desegregated on September 4, 1963 and these schools were as follows:

RAMSAY High School, 1800 - 13th Avenue, South;

WEST END High School, 1840 Pearson Avenue,
Southwest;

GRAYMONT ELEMENTARY School, 300 Eighth Avenue,
West.

On the morning of September 4, 1963, Special Agents of the Birmingham FBI Office observed the following:

BH 105-477

At approximately 7:35 a.m., Dr. EDWARD R. FIELDS, Information Director of the NSRP, and about twelve followers approached the West End High School on foot carrying Confederate flags and some signs. At approximately 7:48 a.m., FIELDS and about 65 demonstrators or pickets were peacefully picketing in the area of West End High School. At approximately 7:55 a.m., these pickets at West End High School were shouting in defiance of integration and appeared to be preparing to leave that area.

At approximately 8:45 a.m., DR. FIELDS and a group of about twenty-five males, ranging in age from twenty-five to forty-five, managed to get into the school yard at GRAYMONT Elementary School and at this time they were carrying signs and placards. At about 8:45 a.m., [redacted] above mentioned, was arrested by officers of the Birmingham Police Department for throwing rocks at the Graymont Elementary School. Some scuffling was reported at the Graymont Elementary School between NSRP members and some representatives of the Birmingham Police Department.

b6
b7C

At about 8:55 a.m., the NSRP group, mentioned above, was making preparations to depart the area of Graymont Elementary School and reportedly intended to travel to the Ramsay High School. At 9:13 a.m., the NSRP motorcade approached Ramsay High School and this motorcade consisted of about 36 cars of various descriptions with the occupants of these cars consisting of males and females of various ages ranging from young to middle age. At 9:21 a.m., a group of about 25 males carrying Confederate flags with slogans directed against Communists, race-mixing, and Jews were demonstrating in the area of Ramsay High School. Some of the actions of the three leaders of this group of pickets were such as to suggest that they were mentally deranged rather than acting in a normal manner. At times these three leaders were screaming obscenities at police officers and were "white with rage" at the action of the police in preventing their march. At about 9:35 a.m., the Birmingham Police Department moved in on the above-mentioned NSRP group and other demonstrators, who were carrying placards and Confederate flags and the police then cleared the area. Some of the NSRP representatives resisted the officers and some of the NSRP men lay down on the ground and refused to move.

BH 105-477

At about 10:05 a.m. on the above-mentioned date, the motorcade of NSRP cars, approximately twenty in number, traveled to the City Hall, Birmingham, Alabama. The cars circled the Birmingham City Hall, blowing horns and waving Confederate flags, but about forty Birmingham Police Officers blocked the entrance to Birmingham City Hall when the various individuals taking part in this motorcade attempted to enter City Hall. At about 11:40 a.m., Dr. FIELDS had departed the area of Birmingham City Hall and returned to the NSRP headquarters at 1865 Bessemer Road, Birmingham.

During the course of the above-mentioned activities on September 4, 1963, officers of the Birmingham Police Department arrested [redacted] who was charged with disorderly conduct, malicious mischief, and destruction of city property; [redacted] all white males, who reportedly were members of the NSRP group, and the latter three males were charged with violation of the new city ordinance of Birmingham which gave the Birmingham Police Department broader powers in areas where demonstrations might occur. b6 b7C

On September 16, 1963, a special Federal Grand Jury Session was convened in Birmingham, Alabama, for the U. S. District Court for the Northern District of Alabama. The purpose of this Federal Grand Jury was to act as an investigative body and to fully probe into any possible objection or interference by any individuals or organizations with the orders of the U. S. District Court for the Northern District of Alabama, Birmingham, Alabama, requiring desegregation of three Birmingham schools, which court orders were then outstanding and in effect.

On September 23, 1963, the above-mentioned special Federal Grand Jury returned indictments against eight individuals in regard to the above-mentioned matter. Among those indicted were the following seven named individuals:

DR. EDWARD R. FIELDS, [redacted]
[redacted], J. B. STONER, [redacted] and
[redacted] mentioned above, with the exception of [redacted]
[redacted] who was arrested by officers of the Birmingham Police Department in regard to his activities on September 4, 1963, during NSRP demonstrations at the three desegregated Birmingham public schools, as mentioned above.

NSRP Activity in Arkansas:

Issue No.51 of "The Thunderbolt," for May, 1963, on Page twelve reflects the statement that the NSRP now has seven state newsletters and below that statement is set forth a masthead which purportedly is that of the Arkansas NSRP Newsletter, Little Rock, Arkansas. This masthead reflects that the editor of this newsletter is ANN BISHOP.

NSRP Activity in California:

Issue No.49 of "The Thunderbolt," dated February, 1963, carries an article on page eleven "Calif. on the Move." This article stated that the NSRP of California under the leadership of its State Director, JAMES P. THORNTON, held its first mass meeting at the Embassy Auditorium in Los Angeles. It was stated that a large crowd of NSRP members and supporters attended the meeting at which the chief speakers were Director, JAMES P. THORNTON and State Organizer, Reverend CONRAD LYNCH. It was stated that this Los Angeles meeting was the first one at which party members were to see the uniformed Security Division of the NSRP, which had been formed under the able leadership of Captain ROBERT LEWTON. This article also stated that "The Attack," described as the Newsletter of California NSRP, was the most outstanding advancement to that date. It was also stated that hundreds of new supporters were being enrolled in California.

Issue No.50 of "The Thunderbolt," dated March - April, 1963, on pages six and seven reflects information concerning NSRP activity in California. A caption is set out entitled, "5 White Supremists Leaders Jailed After S B Cafe Row." Under this caption, three photographs were set out and a statement to the effect that the three men shown in the photographs had spoken at an NSRP rally in Devore. Two of them, RUFUS BRITTON and CONNIE LYNCH, were in San Bernardino City Jail for investigation in the pellet shooting of a seventeen-year-old youth. It was also stated that J. PAUL THORNTON, the other individual shown in the above-mentioned photographs was the State Organizer for the NSRP (California).

BH 105-477

On Page seven of Issue No.50 of "The Thunderbolt" was an article captioned, "California Leaders Innocent." This article stated that the NSRP in California was the fastest growing unit and that it was led by State Director JIM THORNTON, Security Division Leader BOB LEWTON, and State Organizer, Reverend CONNIE LYNCH. It was also stated that the NSRP had held many rallies and public demonstrations and was growing at a tremendous rate. This article stated that on February 22, (1963), the NSRP held a very successful rally at San Bernardino, California, and that later that night, after the meeting was over, the members of the Security Division went to a local cafe where they reportedly were attacked by an unruly gang of "Jews and Mexicans." It was stated that the NSRP members fought back gallantly and that after the police had arrived, five of the NSRP members were arrested and charged with being the "actual attackers." The article stated that these members were convicted and fined a total of \$1,400. It was stated that their defense was handled by ALTOMISE BERTRAM COMPERET and J. B. STONER, and that the men "were saved from full jail sentences."

NSRP Activity in Florida:

Issue No.49 of "The Thunderbolt" on page 11 carried an article captioned "Conservative Party Merge with NSRP." This article stated that National Chairman NED DUPES and the NSRP National Committee were happy to announce the merger of the Conservative Party with the NSRP. This article stated that Mr. DEWEY TAFT had been appointed new NSRP Chairman of Florida and would soon issue a state newsletter to all his new supporters.

Also, on page 11 of Issue No.49 was what purported to be a letter dated February 5, 1963, from DEWEY M. TAFT, Chairman of the Conservative Party of America, which letter was addressed to the Chairman and National Committee of the NSRP, 1865 Bessemer Road, Birmingham, Alabama. This letter reflected that following two visits to the national headquarters of the Conservative Party of America, by Dr. EDWARD R. FIELDS of the NSRP, the Board of Directors of the Conservative Party, had met and voted to merge with the forces of the NSRP. The letter also stated that he (DEWEY M. TAFT) had just been appointed NSRP Chairman for Florida by the Honorable NED DUPES.

BH 100-477

Issue No.50 of "The Thunderbolt," on page eleven, carried a headline "TAFT'S Digest Merges with Thunderbolt." On page eleven is a photograph of a white male and under this photograph is set forth the name "DEWEY TAFT." Also, on this page is a masthead entitled, "AMERICAN DIGEST," and under this masthead is the statement "Founded March, 1939 by DEWEY M. TAFT." On page eleven is set forth an article reportedly written by DEWEY TAFT which states in part that at the beginning of the twenty-fifth year of "The Digest," he (TAFT) felt that the climax of his career had been reached in the merger of "The Digest and "The Thunderbolt."

Issue No.51 of "The Thunderbolt," page twelve, carries a statement as previously mentioned, to the effect that the NSRP now has seven state newsletters. Under this, statement is set forth several mastheads, one of which is that of "The Florida Patriot," which reportedly was published monthly by the National States Rights Party of Florida with DEWEY TAFT as its editor. This masthead showed that it was "Florida's White Christian, Anti-Communist Conservative Monthly, Publishing News, the Controlled Liberal Press is Afraid to Publish!" This masthead also showed that it was the largest and fastest-growing Conservative Party in the United States of America.

NSRP Activity in Illinois:

Issue No.51, of "The Thunderbolt," on page seven, carries an article entitled, "Chicago Officers Named." This article stated that on April 15 (1963), Dr. EDWARD R. FIELDS met with Chicago leaders of the NSRP and that after a very productive working conference, the following new officers were named:

"Mr. WALTER DENMAN, Chairman;

Mr. CHARLES LAYMAN, Secretary-Treasurer;

Mr. ROBERT L. TAYLOR, Youth Leader;

Mr. MURRAY, Sargent at Arms."

The article continued by stating that they wanted, to congratulate the new officers and asked that all NSRP supporters in the Chicago, Illinois, area give these men their full backing.

BH 105-477

NSRP Activity in Louisiana:

Issue No.51 of "The Thunderbolt," on page twelve, at the top of the page reflects "NSRP Now Has 7 State Newsletters --- Louisiana and Missouri not Shown Here." (No further details were set out in regard to the newsletter of Louisiana).

NSRP Activity in Ohio:

Issue No.51, "The Thunderbolt," on page twelve, as mentioned above, reflected the statement that the NSRP now has seven state newsletters, and below this statement was set out a masthead reflecting that it was that of the "Ohio Newsletter." On this masthead at the left was a photograph of a male individual, wearing glasses, and under this photograph was the name "IRVING THACKER." On the right of the masthead was an outline of the State of Ohio and within the outline was a white Thunderbolt emblem enclosed in a black circle. Also in the masthead was the statement "Join N.S.R.P. Americans Largest Third Party."

NSRP Activity in Missouri:

Issue No.51 of "The Thunderbolt" on page six carries an article "Missouri NSRP Marches to Capitol." This article states that on April 17 (1963) Dr. EDWARD R. FIELDS spoke before a very enthusiastic audience in St. Louis, Missouri. It was stated that reports were given on the Missouri Unit Delegation which marched on the State Capitol in protest against a so-called "Open Occupancy Bill," which would force all landlords to rent to Negroes. The article stated that State Chairman, ALAN O. KERN, spoke for the NSRP Delegation and detailed the horrors of integrated life in St. Louis. It was stated that NSRP leaflets against this bill were later distributed throughout the State Capitol.

Issue No.51 of "The Thunderbolt," on page twelve, as above mentioned, stated that the NSRP now has seven state newsletters but that the one for Missouri was not shown on page twelve.

BH 105-477

NSRP Activity in New York:

Issue No.51, of "The Thunderbolt," on page twelve, carried a masthead captioned, "The Storm," which reflects that it was the masthead of the NSRP and also carried the statement "New York Branch News Bulletin." This masthead reflected that it was "Vol. 1 No.1" and the masthead also contained an emblem of a thunderbolt.

NSRP Activity in Washington, D. C.

Issue No.50 of "The Thunderbolt," on page seven, carried two photographs of individuals carrying signs. In between these photographs was the statement "Washington, D. C. Picket Line." Above this statement was a photograph of a young white girl carrying a sign reading, "White Schools for Whites;" "Black Schools for Blacks;" "Jew Schools for Jews;" "Save Racial Segregation." The lower photograph shows two white youths carrying placards. One placard reads, "Jew Spies Gave Atomic Bomb Secrets to Red Russia Save America by Expelling the Jews." To the right of the statement "NSRP Natl. Co-ordinator ROBERT BOWLING Leads Picket Line in Front of White House."

Reference is made to memorandum dated October 18, 1963, at Chicago entitled as above.

here
On October 27, 1963, a first and second confidential source advised the Chicago Office of the FBI that from 8:30 PM to 11:30 PM, Saturday, October 26, 1963, a meeting held in the name of Institute for Biopolitics was conducted in the Lincoln Room of the Teutonia Club, 3730 North Clark Street, Chicago, Illinois. Max Nelson acted as chairman of the meeting and approximately 30 persons were in attendance. This meeting, according to the sources, was called by Nelson for the purpose of discussing the plight of eight members of the National States Rights Party who were indicted in September, 1963, by a Federal Grand Jury at Birmingham, Alabama, on charges growing out of attempts to interfere with court-ordered racial desegregation in Birmingham public schools. At the conclusion of the above meeting a collection was taken up for the benefit of the indicted National States Rights Party members but no further action was decided on.

2nd
It is noted that the first confidential source referred to above advised on June 19, 1963, that during the course of a similar meeting held on June 10, 1963, called by Nelson under the name National States Rights Party, Nelson delivered a 45 minute introductory talk regarding the Institute for Biopolitics. He described the organization as one established to help prevent racial suicide by the white race and to help the white race to continue to exist without being "swallowed up" by the black masses. Nelson stated at the time that the purpose in calling the meeting on June 12, 1963, was to explain the above and to acquaint the people with the situation today. Source stated Nelson identified himself as the Illinois Representative of the National States Rights Party.

3rd
On October 26, 1963, the second confidential source identified above advised that the Institute for Biopolitics

THE NUMB-NOGGINED LOCAL NAZIS are crawling out of the woodwork again. I am inclined to laugh them off and go on about my petipatetic business, except that I remember laughing at a funny little psychotic named Adolf Hitler in 1933.

Thursday, by way of the U.S. mails, I received this nasty screed:

"Mr. Weitzel: Recently you proved beyond doubt what a damned fool you are. How dare you degrade the American Nazi Party? Some day you will be very sorry for this. You and all other Jews and Negroes will be exterminated and the **MASTER RACE** will rule the world.

"You have no idea how the Nazi Party is growing in the United States and more so in other countries. Let this be a warning to you that the **THIRD REICH** will triumph in the end. Writers like you are not helping our cause and you are the ones who will pay with your lives.

"I dare you to print this in your column. You probably do not have the nerve to show everyone what a fool you are. **HEIL HITLER!**"

THAT is a very silly letter. I would be inclined to consider it as a cheap and nasty gag by some idiot who really doesn't mean what he writes. Except that a journalistic friend of mine attended a meeting the other night.

It was held in the Northside Auditorium, at 3730 N. Clark St. The meeting began at about 9 p.m. and ended at 10:55. The attendance, including observers and speakers, was 30.

The largest single group was a covey of old ladies who seemed to have nothing better to do. There were no identifiable members of minority groups present.

The principal speaker was one Max _____, who identified himself with "The National States Rights Party" and with "The Institute of Bio-Politics." A Mike _____ and a Mrs. L. _____ also spoke.

Max _____ was a noisy orator. He said he is seeking a leader . . . a fuhrer . . . who can tell the people that the Jews are to blame for the world's evils, especially the troubles of white Americans. He claimed personal friendship with J. B. Stoner and Ed Fields, now under U.S. indictment in Alabama. He took up a collection for a "defense fund" to aid these men and others under indictment.

J. EDGAR HOOVER

AS HE WARMED UP he charged President Kennedy and Sen. Goldwater are "Jew pimps." J. Edgar Hoover, he said, is "a Jew pervert." The white man, he vowed, is dropping lower and lower in the human scale. Soon, Max said, he will turn with his back to the wall and face "his enemies the Jews, Negroes and Puerto Ricans."

He and other speakers berated the United Nations because it was "organized by the American Jewish Committee." They agreed that both the Democrats and the Republicans are part of "the apparatus" (whatever that is).

Oh yes, just before they passed out hate literature and adjourned, somebody "revealed" that Sen. Barry Goldwater is a Communist.

What are we going to do about people like these? Let's laugh at 'em, but keep our insect spray guns handy.

MEETING OF NSRP, CLUB TEUTONIA, 3730 NORTH CLARK STREET,
CHICAGO, SATURDAY, OCTOBER 26, 1963.

This meeting was held in the Lincoln Room which is located on the third floor at the above named Teutonia Club. Meeting was conducted by MAX NELSEN. There were two other speakers including a [redacted] (spelling is phonetic) who appears to be in his [redacted]

[redacted]

There were a total of about 30 persons there, including [redacted] and his lady friend. [redacted] and one [redacted] a friend of [redacted] introduced [redacted] and [redacted] to MAX NELSEN and later explained that NELSEN wants to know anyone that attends one of his meetings and that he had seen [redacted] enter the hall and asked [redacted] to introduce him to them. [redacted] had also explained that [redacted] was associated with the American Nazi Party but that [redacted] was unknown to him.

b6
b7C
b7D

Purpose of the meeting and talk was to take up a collection for the upcoming trial of H. M. STONER, and several other persons, a listed total of 7 in all, that had been indicted by a Federal Grand Jury, in the south.

NELSEN explained that he had known STONER and one of the other men for several years time and that they had befriended him during 1947 when he was accused and arrested on a charge of threatening a foreign born college professor in Wisconsin while he, NELSEN, was a student there.

NELSEN read a portion of the indictment, where the group was charged with "speaking to a group," or before a group. He did not, however, read the complete indictment of which he had a photostatic copy. This copy was not passed around the room.

CG 105-4630

During the speech he decried the arrest of these men, stating that it was alright under the present system of government for Negroes to hold open speaking sessions and that men associated with NAACP or other integration groups including MARTIN LUTHER KING, who are known communists are never molested by the law, but that if a white man speaks his mind against integration, he is arrested and hauled before a Federal Grand Jury.

He ran down the Federal Grand Jury, and ~~stated that the Federal Agents, and the Postal Agents that call on him from time to time, are working for Jew interests in Washington and that ROBERT KENNEDY's right hand man in hiring personnel for the U.S. Government at the present time is a Jew.~~

In his talk he stated several times, "Talk about anything you want. Talk about flouridation, and I will come back to the Jew. Talk about taxes and I will come back to the Jew. Talk about integration and I will come back to the Jew."

Mr. NELSEN also said during a brief question and answer period that members of the NSRP and associated organizations should infiltrate both the Democratic and the Republican parties during the next election campaign and constantly talk of Jews in either party and their control of the country and politics. He does not want, according to his line of talk, any particular candidate voted into office. He said, "I want the white man to hit rock bottom. You can not talk to him now. Make him go all the way down the hill. When he wakes up some morning and finds nothing but Niggers on one side and nothing but Jews on the other side, and he has his back to the wall then and only then will he fight."

In speaking of the coming election, he advised that the group, referring to those in the audience, was a small one, but that only 5 per cent or 10 per cent would be needed to throw any election in the country.

He also advised that there would be a leader for the white man in the near future in the U.S. - He did not consider himself as being this man.

CG 105-4630

At the beginning of the talk, he mentioned that he knew GEORGE LINCOLN ROCKWELL and that they had exchanged ideas, and that he regarded him very highly. He also advised that ROCKWELL had done a lot of good for the white man in his fight for the white man and that the propaganda and the other activities he and his party engage in have done a tremendous good for the white man.

There was a collection taken up at the end of the talk.

Some literature was passed out.

RACIAL MATTERS

On November 29, 1963, ^{PCI (RAC)} [redacted] Chicago, whose identity must be concealed and whose reliability is not known, orally advised concerning a meeting of the NSRP, which he attended. He stated that the meeting was held by MAX NELSEN at the Club Teutonia, 3730 North Clark Street, on the evening of October 26, 1963. Present, in addition to NELSEN, were [redacted] and [redacted]. Approximately 20 persons attended, but the identities of others were not known.

The purpose of the meeting, according to NELSEN, was to collect money for the defense of one JESSE STOWER and other NSRP people, who were indicted in connection with a racial disturbance in the South. NELSEN explained he had known STOWER and others of the NSRP for several years. He read part of the indictment ~~AND CONDEMNED~~ the arrests, stating that if a white man speaks out against integration he is arrested. At the same time, however, Negroes and people associating with the integration groups are never ~~MOLESTED BY THE LAW FOR~~ speaking out.

He predicted that a leader of white men will emerge soon in the United States, but that this will not occur until the white man has hit bottom and discovers some day that he is surrounded by Negroes on one side and Jews on the other. NELSEN also referred to GEORGE ~~LYNCH~~ ROCKWELL and the ANP, stating that he regards ROCKWELL highly and that he and the ANP have done a lot for the white man. At the end of the meeting, a collection was taken up.

On December 18, 1963, contact was made with [redacted] (RAC) and with [redacted] (RAC) and on December 19, 1963, contact was made with [redacted] (RAC) regarding the NSRP in Chicago, Illinois. All of the above informants, each of whom has furnished reliable information in the past, advised that they have no knowledge that the NSRP presently exists in Chicago as an organization at this time. They stated that MAYNARD ORLANDO NELSEN also known as MAX NELSEN has, in the past, been known as the Illinois representative of the NSRP. However, no regular meetings or functions of this organization are held with the only exception being an infrequent gathering called by NELSEN on behalf of the NSRP. b7D

Birmingham is requested to determine, through available sources in the NSRP, if MAYNARD ORLANDO NELSEN is, in fact, a bona fide representative of the NSRP in the Chicago, Illinois area. In addition, it is requested that Birmingham, where possible, attempt to obtain available descriptive data regarding identified officers as noted in referenced communication. Any additional information available to Birmingham indicating further activity in the Chicago area on the part of subject organization should be furnished this Office.

This meeting of the White American League is the first known meeting this organization has had, to the knowledge of the writer. It is an organization that was established by [redacted] with the assistance of various other members of the Chicago Headquarters of the American Nazi Party (ANP), including [redacted]. It is to operate as a front group organization for the ANP in Chicago, and as the name tends to imply is a racist organization, the main plea of the organization to those it is trying to attract as members being the preservation of long established white residential neighborhoods in the City of Chicago. A number of pamphlets had been passed out by members of the ANP prior to this meeting. These contained a small paragraph or two concerning WAL and a request for people to join the organization and assist it in its struggle, or attempt, to combat the open housing law passed by the Chicago City Council under Mayor DALEY. It requested people to, "join the local chapter in your neighborhood."

b6
b7C
b7D

Such local chapters do not actually exist. Below the section which was lined and had places for some 30 some signatures was Post Office box number. This box is located at the Main Post Office, Chicago, and was formerly used by ANP's White Youth Corps, or was a box used by MAX NELSEN, who is associated with NSRP. The operation of the WAL was to be conducted by members of the Chicago Headquarters of the ANP from the apartment at 1808 West Warner Avenue, Chicago, Illinois. There was the possibility that should the organization begin to show signs of definite success in being established that some of the persons joining might be asked to assume the responsibilities of heading a local chapter in their neighborhood. If this worked, then the organization would in reality become a city-wide organization, with local neighborhood chapters. The idea of using the local or neighborhood chapter, line in the very beginning was to create the feeling that the aforementioned goal had already been reached and that the organization was then a city-wide organization.

The first meeting took place in the YWCA at 5711 South Ashland Avenue, Chicago, Illinois, on the evening of November 3, 1963. This is located in the Woodlawn District of Chicago and a short time prior to that had been the scene of racial disturbances

of some duration when several Negro families moved into what had been a long established white residential area of many years standing. It was for the very reason that the area had begun a period of transition, and that there was a good deal of tension, that this area was chosen for the first public meeting. It was felt that only persons that were feeling the effects of the Open Occupancy Law could in all honesty be receptive to the pleas, or to the ideals, of the White American League, that in sections of Chicago where such an occurrence had not taken place, the people living there could not understand or grasp the ideals of the WAL.

According to information learned from [redacted] later in the evening, [redacted] had arranged the rental of YWCA at 5711 South Ashland. The woman in charge had agreed to meet him there at about 6:00 PM on the evening of Sunday, November 3, 1963, and give him the key to the building. This particular building, according to its construction and design, was evidently either a garage, or an automobile sales outlet previously. No swimming pool facilities, or lodging facilities were noted, and it appeared to be devoted primarily to off the street activities. According to [redacted] did not leave the apartment at 1808 West Warner until 6:30 PM. The apartment is located about 4100 North, the "Y" is 5700 South, the distance is about 12 miles. [redacted] arrived at the "Y" about 7:00 PM but the woman with whom he had made his arrangements could not be located, and he evidently did not have any means of getting in touch with her. He is reported to have been quite put out about her absence, because even though he was an hour late in arriving, she did say that she would wait for him.

b6
b7C
b7D

[redacted] tried to enter through both the front and the back doors, but was unsuccessful in both cases. He then located a small board of a piece of wood, and broke a small window in the front of the building. This was done against the advice and pleading of [redacted] who was with him at the time, [redacted] and [redacted] being in a store or tavern down the street. [redacted] then crawled through the window and being unable to open the front - street - door walked through the building and opened the rear door which opened onto an alley. He then admitted other members of the ANP then present, one or two other persons invited especially for the meeting, and it was through this door that a number of persons from the area entered the building to attend the meeting.

At about ten minutes past 8:00 PM, there were a total of about 21 persons attending the meeting. These included:

[redacted] all from the ANP, [redacted] being the last one to arrive, getting there a few minutes after 8:00 PM. [redacted] conducted the meeting, [redacted] handled the lights. [redacted] was also present and was operating the motion picture projector. JOE BEAUHARNAY (ph) of the White Circle League, was also present, though not active. This made a total of seven representing active Right Wing organizations, or previously active organizations. The other 14 persons present at that time were persons living in the area of which 12 were women, two were men, there were no children or teenagers present. Those present, appeared to range in age from their late 30's to late 50's or early 60's, the predominant age group spread seemed to be from the late 30's to the late 40's.

A film was shown which was taken someplace in the southern part of the United States, in which the main speaker spoke against integration in any form. There was no violence in this speech, the speaker advocated a complete separation of the races, Negro and white. He also had a periodical printed setting forth his arguments, and it was explained after the film was over that these could be purchased from those conducting the meeting or that orders would be taken. The price asked was \$1.00 over the price stamped on the booklet, and it was explained that the additional dollar was to be used to conduct other meetings of this type, including the expense of supplying movies, other literature which could be passed out free of charge, and the charge of renting a place where the meeting could be held.

[redacted] gave a short address to the people in which he cited instances where nations or civilizations had fallen because of race mixing, claiming that the Roman Empire was one such point in history, and that Puerto Rico was another. He also claimed that the leaders - a great many if not all - of the integration movement had definite Communist associations, and some were known or believed to be members of the Communist Party. He also made the point that the entire integration movement had a great deal of communist backing right from the start. To back this up a paper was passed around which bore a photograph of MARTIN LUTHER KING and several other persons seated in large rooms, apparently taking notes, or listening to a lecture. The caption identified KING and several others, and named some of them as known communists, and identified the place where the picture was taken as being a CP training school in the United States. In addition a number of copies of the "Daily Worker" were passed out, the theme of the issue involved being in complete support of the Freedom March, and some articles told of what a success this was to be. This issue was dated about August 25, 1963, some three days before the Freedom March occurred.

b6
b7C
b7D

[redacted] made a very short talk, in which he brought up the Emancipation Proclamation of the late President ABRAHAM LINCOLN. [redacted] informed the group that there are 31 highly important words in that document, in which LINCOLN advocates the transportation of all Negroes in the United States back to Africa or some other suitable country, where they could establish their own country, and government.

b6
b7C
b7D

The second film that was shown was "Operation Abolition". The film had just reached one of its high points when a group of uniformed police officers of the Chicago Police Department entered the room. They had entered from the street - or front - door of the building, crossed through a small office space and into the large central room where the group was sitting. They were headed by a young man who appeared to be about [redacted]

[redacted]
the office section of the "Y" and both of these men were said to be detectives by one of the persons attending the meeting who lived in the area.

The younger man conducted the questioning of those present, and checked identification of those who did not live in the area, and questioned them as to what they were doing there if they were not residents of the area. He referred to them as rebel rousers, and informed them that they had better not hold any further meetings in that area.

All persons present with the exception of [redacted] were immediately released. [redacted] were later released. [redacted] was taken to the police station at 62nd and Racine Avenue, Chicago, and charged with Criminal Damage to Property.

[redacted] contacted a bondsman known to them to aid in securing the release of [redacted] This was the Resolute Insurance Company, 1005 South State Street, Chicago, Illinois. Chicago, Illinois
December 2, 1963

On the evening of December 1, 1963, headquarters of the American Nazi Party, 1808 West Warner Avenue, Chicago, were visited by [REDACTED]

and [REDACTED] had earlier in the evening been at the new ANP Office space at 2001 West Irving Park Road where several members had gathered to look the place over.

[REDACTED] busied himself preparing all the old applications for membership in the ANP and FAN for mailing to the Arlington, Virginia ANP headquarters for retention. It was noted that one of the ANP applications was in the name of MAYNARD ORLANDO NELSEN.

The place was completely messed up with papers, etc. [REDACTED] remarked that [REDACTED] had come in in a wild manner sometime prior to Thanksgiving yelling that he wasn't going to the nut-house again. He was referring to his appointment with a court psychiatrist as a result of his arrest for breaking into the YMCA to hold the White American League meeting a month ago. [REDACTED] said [REDACTED] took off for his folks' home in Wisconsin for Thanksgiving and apparently hasn't returned. Those present hoped he would keep his court date in Chicago.

During the evening [REDACTED] remarked that [REDACTED] is a member of the National States Rights Party.

**PLANS FOR CONSOLIDATION OF EFFORTS BY VARIOUS
RIGHT WING ELEMENTS.**

The following is the general plan thought up by []
[] of the ANP, Chicago, discussed between him, and []
and [] of the same organization, and between [] and
MAX NELSON of the NSRP at a later meeting, held in a Pixley
and Ehlers Restaurant, on North Clark Street near Kinzie.

Elements of the various so-called right wing active
in the Chicago area, and possibly through the State of Illinois
should begin working together as much as possible and as fast
as possible.

If the various groups could work together in one
concerted effort on one thing only, they would be able to
make a successful venture out of this concerted action, and
could then build up morale enough to tackle another project
on a mutual basis.

The co-ordination would have to be handled entirely
by the leaders of the various groups, who would in effect have
their own organization. All members of the various right wing
groups are working towards the same goal, but they are working
in such a variety of directions that they are destroying any
possible effectiveness. This is an extremely frustrating
thing. Persons who are in a leadership, or "inside" position
in the various groups know that they have enough power within
their grasp to accomplish a great many things, with concentrated
effort, that they are constantly losing ground on, because
of a lack of co-operation between the various groups.

The first step that [] has in mind is the coming
elections during 1964.

His explanation of the proper course of action to
follow is as follows:

In the coming elections, pick a man already active
in politics, whose record, attitude, and speeches, mark him
as being a person with definite right wing leanings. The man
would be picked on this basis only, whether he was Democrat
or Republican or Independent would not, could not in fact,
matter. It is felt, however, that in the Chicago area, the
man would hardly be a member of the Democratic Party. This
feeling is brought on by the strict control that Mayor DALEY
has shown he has over the Democratic Party in Chicago, and
throughout other areas of the State.

After the man has been picked, the leaders of the various right wing groups, would inform their groups of this decision, and would in various manners campaign for his elections, throughout various right wing groups. They could not publicly state that such organizations as ANP, the NSRP, the Birch Society or others were supporting him.

It is felt that if all of the members of the various right wing groups were to vote for one or two men, so chosen, that these votes, along with the votes he would get from his own party, besides the votes that he would probably pick up by "accident" could put him into office with a good, if not a large, majority.

[] has voiced himself as follows. This would be one terrific boost to the entire right wing. We could all state, "We put a man in office." The office he has in mind is one of the state legislative offices, as well as attempting the same course of action at a local level, possibly city and county.

He has further developed this plan to where joint meetings could be held. It is felt that the ANP should, and could, continue its roll of Shock Troops, for the right wing, with other groups, NSRP, WAL, former members of the White Circle League, and possibly the Birch Society acting in support.

[]'s thinking along these lines is as follows:

The American Nazi Party, is admittedly the only organization on the Right Wing that is an open action group. It is the only group that publicly pickets at the risk and with the knowledge that the members on the picket line will very likely be arrested.

The arrests occur because those in authority in the City of Chicago know that they are dealing with a very small group, the uniform worn being unpopular, and the Swastika arm band creating feelings that prevent people from coming to their aid openly if they feel that the men on the picketline are being unjustly handled.

[] has advised that he and other members of the ANP do not mind belonging to a "Shock Group, or Commando Group" but that they are tired of belonging to a Suicide Squad, and getting no help or assistance.

b6
b7C
b7D

[redacted] and NELSON all agree on the following:

Sometime during 1964 a picket should be arranged. Uniforms will be worn, or not worn, a decision to be reached at a later date. The signs carried will be a quite type. The meeting to be picketed will have to be a Communist Meeting or a Communist Front Group. The signs will show this, but there will be no signs referring to gas chambers, or making references that Communism is Jewish.

Members of the ANP will be on the line. Members of other groups will be asked to join. Members of other groups will definitely be in the crowd, talking down the agitators, always present at such affairs whose sole function is to draw attention away from the meeting being picketed, and concentrating it on the picket line, in an effort to violently break up the picket line.

[redacted] and others feel that if a picket line of 15 or 20 persons could be assembled, and that if 25 or 30 other persons could be mingling with the crowd, shutting up the agitators in various way short of violence, there would very likely be no arrest of any sort as far as those on the picket line would be concerned.

The feeling is that if this would work once, it would work the second time. If they could gather a volunteer force of 30 to 50 persons, total, for one picket, they could get as many as they needed for any future picket, if handled in the right manner.

At that time the Right Wing groups would have formed some consolidated efforts that would have been successful, and then the right wing would have become an actual force in being.

MEETING BETWEEN [REDACTED] A.N.P., AND MAX
NELSON, N.S.R.P., CHICAGO, FRIDAY, DECEMBER 20,
1963, 4:30 P.M.

[REDACTED] of the ANP and MAX NELSON of the NSRP
met at a Pixley and Ehlers Restaurant on North Clark Street,
Chicago, near Kinzie at about 4:30 p.m.

The purpose of this meeting, which had been arranged
by [REDACTED] was to formulate plans for the co-ordinating of some
efforts, mutually, on the part of the two right wing groups
represented by these men.

b6
b7C
b7D

[REDACTED] explained his plan to NELSON, who then added
some of his own thinking. The two seemed to come to a common
ground for discussion and it was decided that further meetings
were in order. NELSON advised that he was wholeheartedly
behind the plan that [REDACTED] had thought up, and that he would
discuss it with members of the NSRP. He also requested that
[REDACTED] act as the go-between for the ANP and the NSRP and
suggested that they figure on getting together within the next
two or three weeks time.

Their meeting ended about 5:30 p.m.

On February 6, 1934, a confidential source advised that Doctor Edward R. Fields, head of the National States Rights Party, would address a meeting to be held in Chicago, Illinois, on the evening of February 6, 1934.

On February 6, 1934, a second confidential source advised that Doctor Edward R. Fields was scheduled to address a meeting of the National States Rights Party at the Europa House, 3125 West Roscoe Street, Chicago, Illinois on February 6, 1934.

A third confidential source advised on February 6, 1934, that Doctor Edward R. Fields arrived in Chicago, Illinois, on the afternoon of February 6, 1934, and following his arrival registered in Room 1542, Atlantic Hotel, 310 South Clark Street, Chicago, Illinois.

A fourth confidential informant advised on February 7, 1934, that a meeting was called under the name of the National States Rights Party at approximately 8:15 PM on February 6, 1934 at Chicago, Illinois. The meeting which was chaired by one Michael Landis, was held at the Europa House, a tavern and public meeting hall located at 3125 West Roscoe Street, Chicago. Landis is apparently the current leader of the National States Rights Party in Chicago source stated which fact is based on comments and observations made at this meeting.

Doctor Edward R. Fields, the National Leader of the National States Rights Party at Birmingham, Alabama, was the only speaker for the evening. The meeting was obviously called to stimulate reactivation of the National States Rights Party at Chicago. This fact was discussed by Fields during his talk which was basically concerned with consolidation of the right wing organizations in Chicago with emphasis on the need for a National States Rights Party branch in Chicago.

**NATIONAL STATES
RIGHTS PARTY**

Approximately sixty persons were in attendance at this meeting including some ten individuals from the American Nazi Party at Chicago. It was obvious that all in attendance were not members since attention was given during the evening to soliciting memberships from those present as well as attempting to secure subscriptions for "The Thunderbolt", the official newspaper of the National States Rights Party.

No admission was charged nor were tickets required; however, a collection was taken following Doctor Field's address. The gathering was entirely peaceful and officers of the Chicago Police Department were in evidence during the evening. The meeting proper terminated at approximately 9:30 PM on February 6, 1934.

Substantially the same information regarding the above was received on February 7, 1934, from the first confidential source and from a fifth confidential source.

The first confidential source mentioned advised on February 7, 1934, that following the described meeting it was learned that Doctor Fields of the National States Rights Party would meet with four members of the American Nazi Party of Chicago, Illinois, on the afternoon of February 7, 1934, in a Downtown Chicago hotel. Details of this meeting or reason for such was not known to the source. It is speculated he said that the meeting may be connected with the proposed formation of the National States Rights Party group in Chicago as a political force in that city.

Source noted that recently dissension has developed among members of the American Nazi Party at Chicago over organizational breakdown and lack of leadership in that organization.

Details of this matter were discussed on February 7, 1934, with Detective [redacted] Chicago Police Department.

AMERICAN NAZI PARTY
MIDWEST DIVISION, CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. George Lincoln Rockwell, National Commander, ANP, took charge of this meeting.

On May 22, 1962, Matthias Koehl, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject for final authority on George Lincoln Rockwell and ANP National Headquarters.

On January 15, 1963, William Cody, then a lieutenant, ANP, Chicago, advised that the Chicago headquarters of the ANP controlled the activities of the organization in the States of Illinois, Indiana, Iowa, Michigan, Minnesota and Wisconsin.

A second source advised on February 6, 1963, that as of January 31, 1963; the Chicago unit of the ANP became known as the Midwest Division, ANP.

The first source advised on June 3, 1963, that as of that date the Midwest Division, ANP, vacated their headquarters which they had formerly maintained at 2124 North Damon Avenue, Chicago, Illinois, and henceforth meetings of that organization would be held in the residences of the organization's members.

APPENDIX

AMERICAN NAZI PARTY OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO
KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leaders," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP-WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that GEORGE LINCOLN ROCKWELL has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, RICHARD BERRY NORTON, the admitted former director of the FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP although until December, 1962, it received all of its literature from GEORGE LINCOLN ROCKWELL's ANP.

2.

APPENDIX

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second, "the dissemination of our program and the truth about the Party;" third, "organizing the people who have been converted to our propaganda;" and fourth, "that attainment of power through the votes of the newly-won masses."

**Chicago, Illinois
February 10, 1964**

**NATIONAL STATES RIGHTS PARTY
RACIAL MATTER**

Reference is made to memorandum dated February 7, 1964.

It is noted that on February 6, 1964, a confidential source advised that Dr. Edward E. Fields, head of the National States Rights Party (NSRP), was scheduled to address a meeting of the NSRP at the Europa House, 2123 West Monroe Street, Chicago, Illinois, on February 6, 1964.

A second confidential source on February 6, 1964, advised that Dr. Edward E. Fields arrived in Chicago on the afternoon of February 6, 1964, and following his arrival, registered in Room 1342, Atlantic Hotel, 316 South Clark Street, Chicago, Illinois.

On February 8, 1964, a third confidential source advised that Dr. Fields appeared before a meeting of the "Pro-American Forum" at the Fort Dearborn Hotel, 401 South LaSalle Street, Chicago, Illinois, on the evening of February 7, 1964.

Dr. Fields addressed the group briefly, source learned, on the necessity of consolidating the right wing elements of Chicago; of finding a suitable political candidate to represent them in coming elections; and generally gave a "pitch" for the NSRP.

At 11:30 AM on February 8, 1964, the second confidential source advised that Dr. Edward Fields had just departed the Atlantic Hotel, Chicago, Illinois. Source stated that Fields apparently was travelling via automobile in that he was observed to carry wearing apparel from the hotel on clothes hangers rather than in suit cases.
